INTRODUCTION

Plaintiff, Richard Cadoura brought this Complaint on November 5, 2020, against Defendant City of Detroit (hereinafter referred to as "Detroit" or "Defendant") for claims of retaliation in violation of both Title VII and ELCRA when he was offered a position, accepted it, and then had his job offer revoked before he could start working. Defendant has filed two motions for judgment on the pleadings (ECF No. 5 and ECF No. 16), which this Honorable Court has denied. Discovery has closed on this matter and Defendant then brought this instant motion seeking dismissal of Plaintiff's claims pursuant to Fed. R. Civ. P. 56.

STATEMENT OF FACTS

Plaintiff began serving as an EMT and paramedic for the Detroit Fire Department in 1999, a job he held for fifteen years because of his love for what he did. (Exhibit A: Dep. of Richard Cadoura at 48-49) (Exhibit B: Dep. of Joseph Barney III at 36). Mr. Cadoura was known to be a good EMT/paramedic as confirmed by Joseph Barney III, a 29-year servant for the City of Detroit. Id. at 43. As Mr. Barney stated:

¹ "This is a man that was fighting hard to improve the lot for everybody at EMS..." Exhibit B at 36.

² Mr. Barney has held positions as an EMT, paramedic, assistant superintendent, Captain of the Training Academy for EMS, and a Shift Captain. See Exhibit B at 9-10.

So at the end of the day, I thought, you know, this guy never hurt anybody that I know of. Most of his discipline was based against management that was adversarial and I don't recall any patient care complaints and he treated citizens well. So I didn't see a problem with bringing him back and that's what I told Chief Burch.

Id. at 37.

During his time with the Detroit Fire Department, Mr. Cadoura was involved in a news story regarding ambulance run times as well as a lawsuit against the City. (Exhibit A at 13, 51, 65). The lawsuit dealt with issues of racial discrimination and hostile work environment, issues that were compounded by the over-issuance of discipline in 2012 and 2013. (Exhibit B at 44-45). According to Mr. Barney, the Detroit Fire Department "didn't care" about their employees nor their disciplinary records. *Id.* During the end of Mr. Cadoura's career with the City of Detroit, Mr. Barney stated that it "[was]n't following [its] own rules under General Rule 61C-3," which resulted in the due process rights of employees being violated. (*Id.* at 45-46). Mr. Barney further stated that the time when Mr. Cadoura left the Detroit Fire Department was "a very ugly period." *Id.* at 36.

Mr. Cadoura resigned on June 13, 2013. (*See* Defendant's Exhibit 4, ECF No. 33-5, PageID 268-70). On the resignation notice, it states that Mr. Cadoura was not eligible for reinstatement due to pending discipline at the time of his resignation. This is allegedly the result of a City of Detroit policy mandating the same, but even more senior members of the Detroit Fire Department had not seen

said policy. (Exhibit C: Dep. of Donella James at 35-36); (Exhibit D: Dep. of John Sablowski at 36). However, Defendant was failing to offer trial boards³ and otherwise adjudicate the disciplines being issued towards the end of Mr. Cadoura's employment and let these charges "sit for two years and there would be no adjudication of it and, you know, that impacts people negatively." (Exhibit B at 29). In fact, Defendant "had people that would charge somebody because they didn't want them to be in a supervisory capacity and, you know, with that out being adjudicated, they wouldn't be eligible to be –you know, to test out as a supervisor." *Id.* at 30.⁴

Mr. Cadoura reached out for reemployment with the City in November of 2017, a time in which the Detroit Fire Department was "reaching out to all Fire Detroit EMS employees." (Exhibit E: Deposition of Jerald James at 48) (*see also* Exhibit D at 35). Defendant even reached out to and rehired Brian Moore, a Detroit Fire Department paramedic, who "killed a patient." (Exhibit E at 42) (Exhibit C at 25).⁵

³ "Trial boards" are an administrative board that helped adjudicate appeals of discipline that did not go through the arbitration process.

⁴ Defendant never gave Mr. Cadoura an exit interview. (Exhibit A at 23).

⁵ "I know there was an issue with Paramedic Moore and another employee that was a friend that had to do with workplace violence. And I believe that Brian Moore had an issue with patient care...." (Exhibit C at 24-25).

(Exhibit C at 25:19-23). Plaintiff went through the application process and fulfilled the testing required of him by Defendant. (Exhibit A at 18-21); (Exhibit F: Candidate Rating Sheet for Mr. Cadoura in December of 2017). He was even assured that his years of service to the community would be taken into consideration for his reapplication to the Detroit Fire Department. *Id.* at 22.

Belinda Brown, from Defendant's HR department, eventually sent him a text message telling him he was hired and to resign from his then-current job. (Exhibit A at 20:21-21:1) (Exhibit G: Brown Dep. at 34:20-35:18)⁷. However, shortly after Chief Burch passed and Plaintiff had attended his funeral, Plaintiff received a phone call stating that his employment filed had been reviewed and that he had been placed on the "do not rehire" list. (*Id.* at 21:14-22:1). He was then formally denied via a letter from Ms. Brown. (*See* Defendant's Exhibit 11, ECF No. 33-12, PageID 293).

⁶ All areas were listed as passing by both Belinda Brown and Captain Daniel Walisesky.

⁷ Brown stated that she did not recall sending the text but did not deny that she sent it.

STANDARD OF REVIEW

As a threshold matter, summary judgment is appropriate only if the moving party establishes that there is no genuine issue of material facts far trial and the party is entitled to judgement as a matter of law. Fed. R. C1v. P. 56(c); Celotex Corp v. Catrett, 477 US 317, 322-323; 106 S.CT. 2548; 91 L.Ed.2d 265 (1986) When considering a motion for summary judgment, the District Court "must view the evidence in a light most favorable to the nonmoving party." Anderson v. Liberty Lobby, Inc., 477 US 242, 251-52; 106 S.CT. 2505; 91 L.Ed.2d 202 (1986). Finally, the Court must accept as true to the text of the note any direct evidence offered by the nonmoving party, in opposition to the Summary Judgement motion. Muhammad v. Close, 379 F.3d 413, 416 (6th Cir. 2004). Ultimately, the standard of review for summary judgment is, "whether the evidence presents a sufficient disagreement to require submission to a jury or whether it is so one-sided, that one party must prevail as a matter of law." Anderson, (supra) 477 US at 251-52. Plaintiff submits that, utilizing this standard, the Court should reject Defendant's position and deny summary judgment.

ARGUMENT

I. Plaintiff Has Properly Stated a Claim Under both Title VII and ELCRA.

Plaintiff can establish a prima facie case of retaliation under both Title VII and ELCRA by showing: (1) he engaged in a protected activity; (2) his exercise of

the protected activity was known by the defendant; (3) thereafter, the defendant took an action that was materially adverse to the plaintiff; and (4) a causal connection existed between the protected activity and the adverse action. *Barrow v. City of Cleveland*, 773 F. App'x 254, 261 (6th Cir. 2019) (citing *Rogers v. Henry Ford Health Sys.*, 897 F.3d 763, 775 (6th Cir. 2018)).

Defendant points to differences between the EEOC charge and the Complaint as evidence of "contradiction," with the implication that this undermines his claims. However, Defendant has not cited to, nor is Plaintiff aware of, any case, rule, or statute requiring the EEOC charge to directly mirror the Complaint. Claims brought by plaintiffs are routinely given more detail and change slightly as discovery is done and/or more information becomes available. Plaintiff was placed on the "do not rehire list" due to an alleged policy Defendant has that requires such a designation when someone retires/resigns with pending discipline as well as poor work behavior. (See Defendant's Exhibit 16, ECF No. 33-17, PageID. 338). Neither of these reasons stand when examined fully as set forth fully in Section (c). Defendant maintains that Mr. Cadoura's allegation of retaliation due to his prior lawsuit is "not supported by any evidence," stating further that "he has not established that the decisionmakers knew about his alleged protected activity..." (See Defendant's Motion for Summary Judgment, ECF No. 33, PageID. 255).

However, Jerald James, a former Chief for Defendant, stated:

- 20 Cub of Detont he type near shoot Mr. Continue
 21 area above a sew cont

(Exhibit E at 37-38). Thus, it is clear that decision makers were aware of this lawsuit when they disciplined Mr. Cadoura, placed him on the "do not rehire list," and denied his reinstatement. Importantly, around the time of Mr. Cadoura's resignation, there was a surge of disciplinary issues, as Mr. Barney stated. (Exhibit B at 30). His statement, from a non-interested party, shows that the Administration used discipline as a means to suppress employees from promotion. Thus, a leap in logic is not required for a jury to find such actions were also undertaken when Mr. Cadoura was placed on the "do not rehire list" and denied reinstatement.

Given the widespread knowledge of the issues about which Mr. Cadoura complained, it is clear that Defendant created the situation for the denial of Mr. Cadoura's reinstatement with the improper issuance of discipline even before he

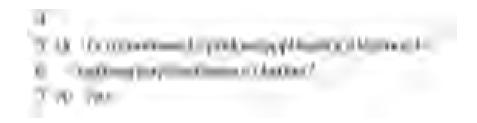

left the department, the denial of his procedural rights including an exit interview, and his denied reinstatement which prompted this lawsuit.

a. Plaintiff can establish that his protected activity was known to the decisionmakers.

The above section, which includes the statement from Jerald James, shows widespread knowledge of Mr. Cadoura's lawsuit when he was receiving the improper disciplines mentioned in Joseph Barney III's testimony. (Exhibit E at 37-38); (Exhibit B at 36, 44-45, 45-46). Further, Defendant did not cite to any evidence or testimony stating Belinda Brown and Kemia Crosson were the only "decisionmakers" involved in the denial of Mr. Cadoura's reinstatement. Defendant's own records actually support the fact that other high-ranking individuals were involved in the denial and pulled Mr. Cadoura's file, which is not normal for the process. (Exhibit G: Deposition of Belinda Brown at 29-30) (Exhibit H: February 24, 2017 Email from Chief Sean Larkins).

⁸ Upon information and belief, Sean Larkins, current Superintendent of EMS, is a twenty-seven-year veteran of Defendant.

(Exhibit H and Exhibit G at 30 respectively). Chief Sean Larkins clearly had a reason to deviate from the normal procedure of hiring, as testified to by Belinda Brown. Chief Larkins was working during the time of Mr. Cadoura's lawsuit against Defendant and inserted himself into the rehiring process. There is no explanation offered by Defendant as to why Chief Larkins would deviate from the normal hiring process, particularly where Belinda Brown had already told him he would be hired. A reasonable jury could rule Mr. Cadoura's prior lawsuit, his protected activity, was known by at least Chief Larkins who clearly inserted himself as part of the decision-making process.

b. Mr. Cadoura has established a causal connection between his protected activity and Defendant's decision not to rehire him.

The prior section shows a jury could reasonably find that the decision makers involved in denying Mr. Cadoura's rehire application knew of the prior lawsuit, his protected activity. Defendant points to the disciplinary records as evidence to support their legitimate, non-retaliatory reason for Mr. Cadoura being denied reinstatement in 2017. However, Joseph Barney III and Donella James

⁹ That reason is fully address in Section (c).

both stated Mr. Cadoura was a competent EMT/paramedic, who did not have issues with patient care. (Exhibit B at 37) (Exhibit C at 17). Section (c) sets out a full explanation as to the pretextual nature of Defendant's proffered legitimate reason for Mr. Cadoura's denial. Defendant does not have a plausible explanation for any of the oddities in this case:

- Belinda Brown from Defendant's HR stated to Plaintiff that he would be hired and should resign from his then-current employment.
- Chief Larkins asked for Cadoura's file to be pulled, which Belinda Brown stated was not normal. (Exhibit G at 30) (Exhibit H).
- Brian Moore was rehired despite resigning/quitting with pending discipline relating to killing a patient, issues with workplace violence, and a recommendation from Jerald James to be placed on the do not rehire list. (Exhibit E at 42, 51) (Exhibit C at 24).
- Multiple superiors in the Detroit Fire Department being completely unaware of the alleged Detroit policy requiring a do not rehire designation for someone resigning with pending discipline. (Exhibit C: Dep. of Donella James at 35-36)(Exhibit D: Dep. of John Sablowski at 36).

All of these facts support Mr. Cadoura's claims of retaliation as they show repeated differences in treatment and/or process. Defendant did not address Brian Moore, a comparator to Plaintiff, in its motion in any manner. His situation, as fully set forth below, provides a strong piece of evidence that Mr. Cadoura was treated differently based upon something other than his do not rehire designation based on pending discipline. When viewed in a light most favorable to Plaintiff, he

has established a genuine issue of material fact as to the matter of a causal connection.

c. Defendant's proffered legitimate reason was merely pretextual and was not the reason for the denial of Mr. Cadoura's application.

Mr. Cadoura can show pretext in this matter, as Defendant's proffered legitimate reason does not hold up when examined in the full light of the facts and evidence. Throughout Defendant's instant motion, references to the disciplinary record of Mr. Cadoura as well as poor work performance make up the basis of their alleged legitimate reason. However, Mr. Cadoura can offer evidence to counter this reason showing that this was merely pretextual.

First, there is Brian Moore. Mr. Moore was recommended for the do no rehire list due to an incident where "[h]e killed a patient." (Exhibit E at 42). Jerald James knew Defendant "rehired a whole bunch of people that had resigned and been terminated and etc." *Id.* at 43. Similar to Mr. Cadoura, Mr. Moore resigned prior to receiving any disciplinary action related to the incident where a patient died. *See Id.* at 51. Thus, not only did Mr. Moore have a "severe" patient care issue, but he resigned prior to receiving the disciplinary action related to that issue. However, unlike Mr. Cadoura, he was rehired by Defendant despite Jerald James' recommendation that he be placed on the do not rehire list for killing a

¹⁰ Defendant's argument for their legitimate reason rests on pending disciplinary action placing Mr. Cadoura on the do not rehire list.

patient. *Id.* at 42-43, 48 (See also Exhibit C at 24). Mr. Moore even had issues with workplace violence against another employee. (Exhibit C at 24). Mr. Cadoura did not have those issues and Mr. Barney, a veteran on the force, did not see a problem with bringing him back and advised the Chief Burch of the same. (Exhibit B at 37).

Further, and importantly, Brown stated that even though she was in Humar Resources, she did not know he was ineligible for rehire until Chief Larkins told her the same. (Exhibit G at 22:19-24). Brown told Cadoura that they would have told him at his exit interview when he left the City that he was ineligible for rehire, but Cadoura informed her that he never had an exit interview at all. (Exhibit A at 23). Brown further told him that, at the time he first left (which she told him was a "discharge" rather than a resignation), he should have had a disciplinary hearing if he was actually subject to discipline; but then after informing him of this, she hung up the phone saying she had "said too much." (*Id.*)

Mr. Cadoura wanted to improve the Detroit Fire Department, yet he was not allowed to do so due to pending discipline, the same issue Brian Moore had but was allowed to return. (Exhibit B at 43); (Exhibit E at 42, 43, 51). John Sablowski, a former coworker, and supervisor for Mr. Cadoura, had no problems working with him when they were both paramedics. (Exhibit D at 27). Yet, despite his record of service and individuals like Mr. Barney recommending his reinstatement, Mr. Cadoura was denied rehire and Mr. Moore was not. This leads to two possible

conclusions: 1) Brian Moore was exempted from an allegedly mandatory placement on the do not rehire list according to an alleged policy; and/or 2) Mr. Moore was placed on the do not rehire list according to the same policy as Mr. Cadoura, but was treated differently despite having a far more severe basis for his disciplinary action.

Both conclusions are devasting to Defendant's arguments. The first would mean that Defendant did not apply this alleged policy to all of its employees equally. This would reasonably point someone to the conclusion that Defendant "picked and chose" to whom to apply this mandatory policy and selected Mr. Cadoura for some other reason than pending discipline. That reason was Mr. Cadoura's prior lawsuit, which the entire department knew about, according to Jerald James' testimony. The second explanation would mean that despite applying the policy to both individuals, one was given adversarial treatment for another reason. Either of this conclusions could be reasonably supported by the evidence and a reasonable jury could rule the Defendant's proffered reason was merely pretextual as it relates to Mr. Cadoura based upon the information provided.

¹¹ Defendant cannot say Mr. Cadoura was not qualified as the attached Exhibit F shows Mr. Cadoura received passing grades in all areas for his candidate rating sheet in 2017.

CONCLUSION

WHEREFORE Plaintiff, Richard Cadoura, respectfully requests this Honorable Court deny Defendant's Motion in its entirety and grant such other relief as deemed necessary and appropriate in this Court's discretion.

- 3 Q And why did you leave the City of Flat Rock?
 - A I was supposed to come off probation the preceding year which was 2017 on or about December 6th or 7th. I made an agreement to have a 12-month probation. At that time, I would come off probation and be on the roster as a part-time fireman/paramedic.

My probation was extended, but it was never articulated to me why and the Union declined to file a grievance to force the city to decide if I was going to be coming off probation or not. After returning from a call where a seven year old was unresponsive in a mobile home park, there was some issue with the response time and the next day I was interviewed by the Assistant Chief who was assuming the role of the Chief because the current Chief Vack, V-a-c-k, William Vack, was on medical and the then Chief who is now the Mayor was assuming the role of the Fire Chief and terminated my employment as a result of their investigation about the call.

- 21 Q And go ahead. You said it was alleged. What was the 22 allegation?
- 23 A That I was encouraging the woman to file a complaint 24 against the city for the poor response time which I 25 didn't do.

- Flat Rock Fire Department and when I asked fire fighter
- Tim Webb who was the Union President for our Local, he

- said that I would have to talk to Mr. O'Connor about it
- 4 and when I spoke to him, Mr. O'Connor, I said, "You know,
- 5 I went through a lot with this department with harassment
- 6 and changing the guidelines to complete probation and all 7
 - the other things that happened during my employment there, including comments that were made and things that
- 9 were said that were outrageous."

He stated to me, "Why would you want to work for a department like that anyway," which to me it didn't seem like, my perception is that they weren't going to pursue any grievance for the discharge.

- Q So for their grievance process would you have to file a grievance or is it the Union's choice?
- 16 To my understanding, it's the Union's choice if they're 17 going to pursue filing a grievance.
 - And did they pursue filing a grievance in that case?
- 19 Α
- Q So you were discharged from Flat Rock. Did anything 20 21
 - occur after that?
- 22 A Could you repeat that?
 - After you were discharged from Flat Rock, did you have
- 24 any other interaction with Flat Rock?
- 25 A I had a lawsuit pending after my discharge.

Page 36

- Q And did you receive written discipline in that case?
- 2 A I heard that there was some complaint that a Sergeant 3 made about insubordination. I never seen anything, but
- it implied that we didn't do our station duties prior to 4
- 5 the shift change which he was assuming command of the 6
 - shift and the person who was in charge was a lower licensed level than me, but because of his seniority,
- 8 that put him in charge and told we needed to do the 9 duties and he found something better to do.

Then when there was an issue about why those duties weren't done, I told him that he could just talk to the duty officer and he declined. He wanted to hear it from me and I told him I was working on my EMS report and that's what my delay was and he didn't like the answer I gave him.

- 16 Did you have a partner on that run?
- 17 That's correct.
- 18 Q And was your partner disciplined?
- 19 A No.
- 20 Q Were you in a Union at Flat Rock?
- 21 A That's correct.
- 22 Q And what was that Union?
- 23 Α Michigan Association of Fire Fighters.
- 24 And did you appeal that discharge?
 - A At the time, Joe O'Connor was the business agent for the

Okay. And what were the claims in that lawsuit?

- 2 A Well, the Fire Department was operating with expired
- 3 equipment which I repeatedly reported and the day after
- 4 my discharge, two people were murdered in the community
- 5 and the response was from an ambulance that had under-
- 6 licensed personnel in an ambulance that was set up for
- 7 advanced life support and their concern was that I was
 - going to report it to the State if they didn't make those
- 8 9 changes. I had done - I'm sorry. Your question?
- 10 Q No, go ahead. You can continue. I didn't mean to cut 11
- 12 A I just took issues with the department as an operator
- 13 from the standpoint that I was reporting expired
- 14 equipment as well as working with under-licensed staff
- 15 doing procedures that were not in their scope of practice
- 16 and I was uncomfortable with the fact that they were
- 17 doing these procedures and then they would transfer care
- 18 to me which I would essentially take the person to the
- 19 hospital and have to explain, you know, what they did 20 prior to me getting there and so on and so forth and I
- 21 just kept raising the issue that at some point I wasn't
- 22 trying to make decisions there for them, but I think that
- 23 some other Commander made some poor decisions as far as
- 24 transferring care to lower licensed personnel which
- they're not supposed to do and just different things like

Then she said, "Give us about two weeks to review the file to make sure that nobody else's names or anything appears in there and that it doesn't violate HIPPA," or, I'm sorry, not HIPPA, the guidelines, the federal guidelines for the collection of information on our EMS run reports as well as just protecting the names of other technicians and so on. Then I was told that the file was ready to be picked up. I went down to, I believe, the City-County Building. I was told that I had to pay ten cents per page, I believe. They told me it was \$33.00 I believe and .10 cents because it was 300 or so pages. Q Okay. I want to talk about the damages that you're alleging in this case. Are there any economic damages that you're alleging you suffered in this lawsuit? A I want to be clear that serving with the Detroit Fire Department was probably by far the best job that I ever had. It was an honor and a privilege serving the community, being recognized as an Emergency Medical Technician with the Fire Department and as a result of things that went on over there with, you know, the exposure of the response times and the personnel issues	which was an increase. I was talking to somebody the other day. I can't remember who it was. In passing they said that a lot of people were leaving the job because they were promised crossover pay which is crossover meaning that you're a fire fighter and you're an EMT or you're a firefighter and you're a paramedic and that they hire people at a higher rate than what the current EMT position carries or what the current paramedic position carries and, I mean, I could have been a fireman there working eight days a month and could have pursued outside employment if I wanted to or worked overtime when it became available. I really don't know what the possibilities could have been financially or personally. I mean, to try to obtain one of the highest positions in the Fire Department, I worked with Mr. Larkins who is the current sitting EMS Administrator and he was my paramedic partner. I worked with him for years. I thought it was the greatest thing that he got promoted to be the EMS Chief there. Did I have aspirations of joining his

Re: Charge of Conduct

On 11-08-2011, While detailed to Medic 6, I called AC. Donella James and was informed that Lt. Sablowski was coming to the Hospital to "Conduct and Investigation into an Allegation of Patient Abandonment". I walked to the ER Dock and observed Lt. Sablowski talking with my partner Jeff Sebree. As I approached, I was informed by Lt. Sablowski that he was "conducting and investigation". I respectfully declined until a Union Rep could be present, invoking my Weingarten and Garrity Rights. Lt. Sablowski DENIED my request stating "this is not an investigation but an inquiry". I stated under GR 6.1 Section C. a Supervisor will provide a Union Rep prior to any questioning that may lead to charges now or in the future. My request was DENIED!!! As I attempted to walk back into the hospital Lt. Sablowski continued to follow me Shouting "you will answer my questions". Lt Sablowski allowed the situation to escalate by his FAILURE TO MAINTAIN ORDER AND DISCIPLINE. I do regret the fact that I allowed Lt.Sablowski's Disrespectful, Abusive, Demeaning Behavior to Provoke me into telling him 'TO GO FUCK HIMSELF" 3 times, but it did end the Confrontation. In my almost 14 year career with Dems I have NEVER been put in that situation by any other Officer in the Detroit Fire Dept. I filed a Violence in the Workplace compliant against Lt. Sablowski several years ago which was later dropped by the Law Department without being fully investigated. Since that time I have had False Complaints, Written Statements and Improper Charges written against me by Lt. Sablowski resulting in being placed off LWOPCA several times. Without the Department Investigating his Conduct.

Respectfully Richard Cadoura #608

- 1 Q. Does anyone else live there with you?
- 2 A. Well, my son just moved back about a week ago and
- my wife. She's in Florida.
- 4 Q. So your wife is in Florida right now? Is your
- son currently in the room with you? 5
- 6 A. No. I'm by myself.
- 7 Q. In reviewing for today's deposition, did you
- review any documentation?
- 9 A. Yes.
- 10 Q. What documentation did you review?
- 11 A. I was sent some old Charge Forms that had
- 12 "Expungement" written on them and a few other
- 13 Charge Forms that I can't recall off the top of
- 14 my head. What I mean by Charge Forms, I mean
- Department Charge Forms. 15
- 16 Q. And those Department Charge Forms were related to
- Mr. Cadoura specifically? 17
- 18 A. Yes.
- 19 Q. Did you discuss this deposition with anyone other
- 20 than Mr. Jason before this deposition?
- 21 A. No, other than letting the Department know that I
- had a deposition and, you know, that I wouldn't
- 23 be in this morning because I was in a deposition.
- 24 Q. And who did you let know at the Department?
- 25 A. Captain -- I should say Chief Olkowski. My shift

- 2 Q. When you first started working as an Emergency
- Medical Mobile Technician, what were the hours
- 4 that were required? The working hours?
- 5 A. Well, they haven't changed. Usually from
- 7:00 a.m. to 7:00 p.m., 7:00 p.m. to 7:00 a.m..
- 7 We used to have an impact shift when I came on.
- 8 So that would be from 4:00 to -- 4:00 to midnight
- 9 or 12:24 actually, and then we had peak shifts,
- 10 which we have now, that go from 1:00 to 1:00.
- 11 During the mid-2000s I believe they went from
- 12 2:00 to 2:00.
- 13 Q. And this is Department wide?
- 14 A. For the EMS Division. The Department has ten
- 15 divisions.
- 16 Q. Can you explain a little bit about the process of
- getting hired as a Mobile Medical Technician? 17
- 18 A. Well, I think, you know, the process has changed
- a lot, but in the '90s/2000s, you just would 19
- 20 apply for a job. You'd go through a -- I went
- 21 through three different physicals. I had a
- 22 physical at Fire Medical, which used to be at
- 23 250 West Larned, I had a physical at the City
- 24 County Building, and then I had a third physical
- 25 done off of West Grand Boulevard. We had a

Page 8

- 1 that I am Captain of. Let them know I wouldn't
- 2 be in.
- 3 Q. And how do you spell the chief's name?
- 4 A. O-l-k-o-w-s-k-i.
- 5 Q. And have you ever gone by any other name other
- than Joseph Charles Barney, III?
- 7 A. No, sir.
- 8 Q. Are you currently employed?
- 9 A. Yes, sir.
- 10 Q. By who?
- 11 A. The City of Detroit.
- 12 Q. And how long have you been working for the City 12
- of Detroit?
- 14 A. Twenty-nine years and one month.
- 15 Q. And when you started with the City of Detroit,
- what was your position?
- 17 A. I was an Emergency Medical Mobile Technician.
- 18 Q. Can you tell me a little bit about the duties of
- 19 an Emergency Medical Mobile Technician?
- 20 A. Well, you respond to emergency runs that were
- 21 sent to you either by a dispatch or through a
- 22 computer. NBC. You render care, you, you know,
- 23 transport to the hospital, you prepare the truck
- 24 for the daily service, you maintain it during the
- 25 day, and then you turn it over to a crew that
 - Page 7

- written test, we had an oral interview, and a
- 2 physical agility test, and then we were placed on
- 3 the list -- the eligibility list for hiring.
- 4 Q. And you said the process has changed since then,
- 5 correct?

1

- 6 A. Yeah, a little bit I believe. You know, what you
- 7 need now to have is an EMT License and a Driver's
- License. You still have the agility test and a 8
- 9 written test and an oral interview, but it's all
- 10 kind of expedited now, where this would take --
- 11 the process before would take like months because it was spread out.
- 13 Now, you know, you get your interview
- 14 the same day you do your agility test and really,
- 15 at this point, EMS doesn't even -- that was up to
- Academy 77. EMS doesn't even have an agility 16
- 17 test or anything right now because the Fire
- 18 Department no longer hires standalone EMS
- 19 employees. So right now that process is
- 20 completely dead.
- 21 Q. You said standalone EMTs?
- 22 A. Yeah. The Fire Department is going through a
- 23 process with integration where they start to
- 24 integrate the EMS guys that are in the EMS
 - Division into Fire and so they stopped hiring

Page 9

25

- 1 standalone EMS or EMS divisional employees. Now
- 2 all employees hired are through the Fire
- 3 Department and their firefighting division
- 4 employees and they have to have firefighting and
- 5 they go through that process.
- 6 O. So just so I understand the required -- kind of
- 7 the requirement now is to also be a firefighter
- along with an EMT? 8
- 9 A. Yeah, but there's a two-way path. There's also
- 10 a process for Detroit residents as well where
- 11 they can be hired without any education and they
- 12 will be sent to Wayne Community College where
- 13 they'll be given EMT and also firefighter.
- 14 There's kind of two pathways.
- 15 Q. So going back to your experience, are you still
- 16 working as an Emergency Medical Mobile
- 17 Technician?
- 18 A. No.
- 19 Q. What other positions have you held?
- 20 A. Paramedic. I was promoted to Paramedic in '95.
- In 2017 I was the Captain of the Training
- 22 Academy for the EMS section and in 2018, I was
- 23 the Assistant Superintendent and then in 2021, I
- 24 -- wait a second. I got to think about this. In
- 25 2022 in February, I was un-appointed and moved to Page 10

- learn the general policies as well for the City 1
- 2 of Detroit?
- 3 A. That's correct. They would have a portion of
- their class for that. Correct.
- 5 Q. And then in 2018, you said you were promoted to
- Assistant Superintendent. What was the
- 7 responsibilities in that role?
- 8 A. Operationally, day-to-day EMS operations.
- Q. Was that more of an overview position or like a
- 10 logistics position?
- 11 A. I think a little bit of everything. I mean
- 12 logistically, you had to handle the logistics of
- 13 the division in medical response, but, for
- 14 instance, COVID, I was in the field every day and
- 15 protests I was in the field every day taking runs
- 16 with the crews because I didn't have enough crew
- 17 members.
- 18 Q. And then you said in the fall of 2022 you were
- 19 promoted to Shift Captain; is that correct?
- 20 A. No, that would have been February of 2022 and I
- 21 was not promoted, I was demoted.
- 22 Q. Oh, demoted. My apologies.
- 23 A. That's fine.
- 24 Q. Was there any particular reason for that
- 25 demotion?

Page 12

- 1 Shift Captain at the Field Operations.
- 2 Q. Can you explain to me a little bit of the duties
- 3 of how a paramedic differs from your original
- 4 employment position?
- 5 A. Well, you have more patient care
- responsibilities. As a paramedic, you're higher
- 7 level, so, therefore, you're kind of in charge of
- 8 the truck relative to outpatient care and you're
- 9 kind of in charge of the whole truck. You got to 10
- make sure all the proper equipment is there and
- 11 what have you, and then, you know, when you're
- 12 assessing patients and you're writing legal
- 13 documents, you have to sign those legal
- 14 documents and ultimately, you're responsible for
- 15 that patient, if you're working with a partner of
- 16 a lesser licensure.
- 17 Q. And then in your position as a Captain of EMS'
- Training Academy, what did that role entail?
- 19 A. Well, it entailed running the Academy classes for
- 20 new hires. CPR for the whole Department.
- 21 Compliance, TB, respiratory fit, immunizations
- 22 for the Department, continuing education, special
- 23 events. We handled a lot of special operations
- 24 and things.
- 25 Q. So is that Academy where new EMS hires would Page 11

1 A. Well, I was instructed that I was not liked by

staff and that I had a PIP from the previous year

- 3 and so they said they were going in a new
- 4 direction since it's an appointed position and
- 5 they gave me an option to retire or continue on
- and I elected to continue on as Captain.
- 7 Q. And you said PIP. What is that?
- 8 A. Professional Improvement Plan.
- 9 Q. Can you describe a little bit about what that is?
- 10 A. Well, in 2020 -- in 2021 in December, I had sent
- 11 some e-mails and I had alluded the Law Department
- 12 about some things that I was concerned about
- 13 within my division with commissioners, and the
- 14 next thing I knew, I was in a meeting with all
- 15 the commissioners and chief and they were -- they
- 16 had some complaints that they had been holding.
- 17 So they said that they had too many complaints
- 18 from the union and as a result, they wanted me to
- 19 have a PIP.

20 They sent me to some training, made me 21 take additional training, and pretty much the

- 22 conditions of the PIP was that I was not to have
- 23 anymore complaints from the union. So at the
- 24 time -- I went a year, I didn't have any
 - complaints from the union, but obviously things

 have an ambulance parked outside. So I stopped at the fire station to 	23 Christmas Eve off or Christmas Day. A 32-year
25 check on it and see why it was sitting outside in	24 employee. One of the captains didn't like it. 25 He filed a complaint. Said I showed favoritism,
Page 15	25 He filed a complaint. Said I showed favoritism, Page 17

- 1 but the guy followed the process and, you know,
- 2 ultimately the assistant superintendent has say.
- 3 It didn't affect manpower at all. So I gave the
- 4 guy Christmas Day off and my captain wrote a
- 5 complaint on that because he felt I had showed
- 6 that guy favoritism after he told him no, he
- 7 couldn't have it.
- 8 So that's the kind of stuff that went
- 9 down to the Law Department or to Human Rights.
- 10 Q. So in either of your positions as the Assistant
- 11 Superintendent or the Shift Captain or I guess
- 12 even the Captain of the Training -- EMS Training
- 13 Academy, did you ever have to discipline one of
- 14 your subordinates?
- 15 A. Yes.

2

3

- 16 Q. What's the process for disciplining one of your
- 17 subordinates?
- 18 A. Well, there's progressive steps to discipline.
- 19 You know, you start off with an oral
- 20 consultation. You know, alert them that there
- 21 might be a problem with what they did. You
- 22 explain the rule to them, so they understand the
- 23 rule and what happened and then you move on and 23
- 24 then there's a -- the next step would be, let's
- 25 say, a written reprimand and that's where you

Page 18

- 1 know, what remediation I might have offered.
- 2 Q. And then the written reprimand -- is it -- is the
- 3 process always oral consultation, written
- 4 reprimands, or will sometimes it be --
- 5 A. No. Sometimes depending on the -- depending on
- 6 the violation or, you know, what exactly
- 7 happened, it could go -- you could bypass a
- 8 written and go right to a punitive. There's a
- 9 list of guidelines for that too under like
- 10 General Rule 11. You know -- you know, an oral
- 11 consultation, a written, and that's so that the
- 12 Department had it documented under General Rule
- 13 11 on how you were to proceed.
- 14 Q. And what are some examples of actions where the
- skipping the process of the first two steps in
- this disciplinary scheme?
- 17 A. Well, let's say you had some very improper
- 18 patient care. You know, something that was such
- an egregious violation that we're bound to notify
- 20 the Medical Control Authority. Something like
- 21 that. If that patient care was egregious, there
- 22 is an investigation behind it and you could see a
- 23 suspension immediately. Insubordination, AWOL.
- Not being at work. Things of that nature.
- 25 Q. Now, you mentioned earlier that you have had to Page 20

actually place the incident in writing to paper and they get a written reprimand.

Again, you make sure that they

4 understand the rule or understand the process

- 5 that was broken. If they need some remediation,
- 6 you give them remediation because obviously, you
- 7 can't help them out, if they don't understand
- 8 that, and then the next step in the progressive
- 9 steps of discipline would have been a charge of
- 10 -- and with a possible suspension and then, you
- 11 know -- or discharge, for that matter. Could
- 12 have been any of those.
- 13 Q. And you said the first step was this oral
- 14 consultation. Is there any recordkeeping on if
- an oral consultation occurs with a particular
- 16 employee?
- 17 A. I don't think we're very good at it. I know that
- 18 sometimes, if I have given an oral -- which
- 19 usually that would happen more in the field with
- 20 lieutenants than it would, let's say, an
- 21 assistant superintendent or even a captain, for
- that matter, but I would send an e-mail, you
- 23 know, or have something in writing that I went
- 24 out and talked to so and so on this date to
- 25 discuss this and they need efficiencies and, you Page 19

- 1 discipline subordinates during your time with the
- 2 City of Detroit?
- 3 A. Yes.
- 4 Q. Have you ever had to skip the first couple of
- 5 steps and go straight to a charge or discharge
- 6 with one of your subordinates?
- 7 A. When I was the Assistant Chief, I heard all
- 8 discipline, except for discharges. So the vast
- 9 majority of the discipline cases that would come
- 10 to me were already to the punitive or the
- suspension stage or reprimands and things of that
- 12 nature had already been handed out.

When I was a Captain at the Training

- 14 Academy, I had a few instances and I would have
- 15 had to -- I had given some oral consultations, I
- 16 had given a written, I had actually given -- I
- 17 had recommended some charges/discipline. From
- 18 time to time, I would have a probationary
- 19 employee separation, which there wasn't -- you
- 20 know, well documented and that. They were kind
- of at will employees and if they were very
- deficient, then they would be separated.
- 23 Q. And the process for -- what's the process for
- 24 discharging an employee?
- 25 A. Well, it's pretty much the same. You get a

Page 21

- 1 notification that there's a discipline. Some
- 2 action. You have a charge hearing. It's usually
- 3 set with the chief or commissioner's designee,
- 4 which is at this time Chief Larkins. Chief
- 5 Larkins would hear the charges, make a
- 6 recommendation, and then from there, it would be
- 7 either appealed up to the commissioners or by the
- 8 employee.
- 9 Q. And then if the recommendation is termination,
- what's the process to go about informing the
- 11 employee of this termination?
- 12 A. You know, there's a new contract now, but I
- 13 believe -- I think it's ten days. I mean you get
- 14 your charges and they have a -- you get a Notice
- of Intent to charge. It has a date of the
- 16 hearing on it. Usually the charge hearing is
- 17 within ten days and then you recommend, you
- 18 know, that you have the union representative
- 19 there. They get a copy and that's how they're
- 20 usually notified. An employee has to sign for
- 21 it.
- 22 Q. And you said earlier that you reviewed Charge
- Forms for today's deposition; is that correct?
- 24 A. Yeah. They were old Charge Forms.
- 25 Q. Do you know of what years those are from?

Page 22

- 1 Q. Can you explain a little bit about what a
- 2 designated representative is?
- 3 A. I was the guy that handled the day-to-day
- 4 operation of the union. Well, not necessarily
- 5 the union. So we didn't have a local at the
- 6 time. Our local was dissolved. So we didn't
- 7 have anybody handling the day-to-day operation
 - and reporting to the union itself.

9 So at some point I was asked to perform

that function and did and that would have been about 2010, and so I handled the day-to-day

- about 2010, and so I handled the day-to-day operation of union activity and then, you know,
- 13 I'd report back to the union and if we process
- grievances or what have you, I would start the
- grievances of what have you, I would start the
- 15 process and then when they'd get to the fourth
- 16 step, which was before arbitration, the union
- 17 obviously made a decision then. I kind of owned
- 18 everything until the fourth step -- or the
- 19 Association owned everything until the fourth
- step and then when it made it to the arbitration
- 21 piece, the POAM took over running everything.
- 22 Q. And did you step down from that position -- that
- 23 designated rep position?
- 24 A. No. The certified bargaining agent changed from
- 25 POAM to the DFFA in 2016.

Page 24

- 1 A. I believe they were from 2008 to like 2010.
- 2 Q. And were all of those charges involving
- 3 Mr. Cadoura?
- 4 A. I believe so.
- 5 Q. And what were the contents of those charges?
- 6 A. You know, I didn't really look at them that
- 7 closely. I just looked at the back and saw they
- 8 were all expunged. I didn't really have much to 9 do with the union, so a lot of that stuff that
- 9 do with the union, so a lot of that stuff that 10 happened with Mr. Cadoura I wasn't aware of on
- 11 that level.
- 12 Q. And what union is it for the City of Detroit Fire
- 13 Department and EMS?
- 14 A. Well, right now it's the Detroit Firefighters
- 15 Association.
- 16 Q. And was that the same one during Mr. Cadoura's
- 17 employment?
- 18 A. No. During Mr. Cadoura's employment, it would
- 19 have been the International Operating Engineers.
- 20 I think it was Local 539 and that would have been
- 21 the Police Officers Association of Michigan.
- 22 Q. Have you ever held a position in any of these
- 23 unions?
- 24 A. Not as an elected official, but as a designated
- 25 representative, yes.

Page 23

25

- 1 Q. Looking specifically to Mr. Cadoura, did you ever
- work with Mr. Cadoura on the same shift?
- 3 A. I would say I only worked once or twice with
- 4 Mr. Cadoura, but I was aware of Mr. Cadoura, yes.
- 5 Q. When you say you were aware of Mr. Cadoura, what
- 6 do you mean?
- 7 A. Well, the appraisement of Demsa (ph) was -- was
- 8 very active and we'll say union activities or
- 9 association activities specifically against the
- 10 City Fire Department because EMS had been kind of
- 11 run into the ground and it was very aggressive
- 12 with him and I know Mr. Cadoura was a very avid
- 13 supporter.
- 14 Q. When you say he was a very avid supporter, what
- 15 do you mean?
- 16 A. That they were close friends and he always, you
- 17 know, supported him and he always was a vocal --
- 18 he was vocal of the deficiencies of the Fire
- 19 Department specific to EMS.
- 20 Q. Do you recall what deficiencies he was vocal
- 21 about?
- 22 A. Well, he had a lot of issues with response times.
- 23 He had a lot of issues with, you know, 15/20
- 24 minutes to respond to a run, staffing, poor

management, abuse of management.

Page 25

- 1 Q. As to the response times specifically, are you
- 2 aware of a news story done about the response
- 3
- 4 A. There were lots of news stories done about
- response times.
- 6 Q. Specifically that Mr. Cadoura participated in?
- 7 A. You know, off the top of my head, I cannot
- recall. I knew there was a story with him. I
- 9 remember one, but there were a lot of stories.
- 10 Only one I can recall, but I can't layout the
- specifics. 11
- 12 Q. So when an employee brings up complaints like
- 13 this, what's the typical process for addressing
- these concerns? 14
- 15 A. There really is no process.
- 16 Q. So other than knowing Mr. Cadoura for his
- 17 openness about deficiencies, is there any other
- 18 reason that you knew about Mr. Cadoura?
- 19 A. No.
- 20 Q. At some point Mr. Cadoura resigned from the City 20 Q. And you said that Mr. Cadoura was a part of a
- of Detroit EMS; is that correct?
- 22 A. I believe so.
- 23 Q. Do you know why he resigned?
- 24 A. No.
- 25 Q. At the time that he resigned, Mr. Cadoura had
- Page 26

- around that time?
- 2 A. In 2012?
- 3 Q. Yeah, 2012/2013 time.
- 4 A. Well, he did have some discipline. Some charges,
- if I recall, and I had written some grievances, 5
- 6 but other than that, no, and it was a -- he was
- 7 part of a wider settlement that I had sought in
- 8 2012 for mutual agreement to dismissing some
- 9 discipline and some of the charges and he was
- 10 part of that discussion, but some of those
- 11 disciplinary actions didn't get dismissed.
- 12 Q. Can you recall what those disciplinary actions
- 13
- 14 A. I can't recall off the top of my head.
- 15 Q. And after his resignation, did you ever see
- Mr. Cadoura's employment file?
- 17 A. No.
- 18 Q. Have you ever seen Mr. Cadoura's employment file?
- 19 A. No.

7

- 21 wider settlement; is that correct?
- 22 A. Yes. Well, there was a group of -- there was
- 23 probably about 200 pieces of discipline that we
- 24 were looking to get some common ground with the
- 25 Department on and maybe getting some of the

Page 28

- 1 been working for the City of Detroit for
- 2 approximately 15 years. Is it normal for that
- 3 tenured of a person to resign?
- 4 A. Yeah. At this point I guess -- you know, I guess
- 5 it's cyclic. You know, during good periods of
- 6 time with EMS, you have few resignations. I mean
- 7 2012 we were going as the preamble into the
- 8 bankruptcy. EMS was being attritioned out. I
- 9 mean at one point we got down to five ambulances
- 10 to service the city. We lost a lot of talent and
- 11 we had guys that had 20 years leaving the job.
- 12 You know, post-bankruptcy 2015, EMS started to
- 13 build up. We had equipment, 25 units. We were
- 14 doing good.
- 15 We weren't having resignations, but now
- 16 we're kind of into that cycle again when we have
- 17 a lot of ambulances closed and we're losing a lot
- 18 of tenured employees right now. So it's been
- 19 cyclic as the service goes.
- 20 Q. And around the time of Mr. Cadoura's resignation, 20
- 21 were you involved in any way in disciplining
- 22 Mr. Cadoura?
- 23 A. No, I was not.
- 24 Q. Did you ever have any conversations with anyone 24
- mentioning Mr. Cadoura's potential discipline
 - Page 27

- charges dismissed. Some of the issues were
- 2 because the Department wasn't living up to having
- 3 Trial Boards and, you know, so a lot of the
- 4 discipline would sit for two years and there
- 5 would be no adjudication of it and, you know,
- 6 that impacts people negatively.
 - So we sat down with them and tried to
- hammer out some of that. Get an agreement, and
- 9 we did. I don't have a copy of it on me that's
- 10 signed or anything, but, you know, that's what we
- 11 worked towards.
- 12 Q. And you said the backup of charges was due to
- 13 issues with the Trial Boards?
- 14 A. Yes. Well, the Department -- if you got
- 15 disciplined in, let's say, pre-bankruptcy, you
- 16 could -- you'd be disciplined and then you'd have
- 17 an option to have a Trial Board or obviously if
- 18 the union filed for arbitration, but a lot of
- 19 times that would take a long time getting to
- arbitration, but the Trial Boards had to be held
- 21 within a certain specific set of time.
- 22 You'd have three panel members and the 23 employee would have been able to pick a panel member, the Department would pick a panel member,
 - and there would have been just one at will panel

Page 29

25

1 member. 2 So what happened is the Department had 3 very few, if any, Trial Boards and they were 4 disciplining a lot of people and so what was 5 happening is this whole process got really backed

- 6 up and there was no adjudication within the
- 7 Department for these charges and that impacted
- 8 not just -- you know, obviously it affected
- 9 people being able to get promoted and, you know,
- 10 at the time we had acting supervisors that had
- 11 been through the process to become a supervisor,
- 12 and so even as a promotional process, it could
- 13 impact that because we had people that would
- 14 charge somebody because they didn't want them to
- 15 be in a supervisory capacity and, you know, with
- 16 that out being adjudicated, they wouldn't be
- 17 eligible to be -- you know, to test out as a
- 18 supervisor. 19
- So it was very problematic and, in fact, 20 you know, when Jones Day came in during the 21 bankruptcy, we were able to show that it was cost
- 22 and time prohibitive and completely changed the
- 23 whole process for the post-bankruptcy.
- 24 Q. You say there was some issue with -- my
- 25 apologies. You said there was some issue with Page 30

- 1 thinning of the pool of applicants?
- 2 A. Well, at this point, the process -- you know,
- 3 again, EMS is being slowly eliminated with, you
- 4 know, the Department -- Fire Department taking
- 5 over. So I mean I think that standard now is
- 6 actually down to two years to apply as a
- 7 supervisor and, you know, as far as discipline,
- 8 discipline is being heard timely and it -- you
- 9 know, there's specific things built within the
- 10 contract like expedited arbitration and that now
- 11 you see that that process was cleaned up.
- 12 Q. And so if this discipline is hanging out over
- 13 somebody's career and they resign, what happens
- 14 to that discipline?
- 15 A. I suppose it's in their file. I mean obviously
- 16 there's no -- nothing being heard -- charges or
- 17 anything because they're no longer an employee.
- 18 So, you know, I guess it would just -- it would
- 19 be there and it was just never a -- you know,
- 20 there was never a hearing on it.
- 21 Q. Would discipline like that with no hearing ever
- 22 being had cause someone to be on a do not rehire
- 23 list?
- 24 A. Possibly.
- 25 Q. What are some other reasons that somebody might Page 32

- 1 charges being levied against the employees to
- 2 block promotions?
- 3 A. Well, let's say you have 200 employees and let's
- 4 say you have 10 employees that are acting as a
- 5 supervisor and there's a test coming up for a
- 6 supervisor. Now, let's say in this pool of
- 7 employees that there is five years -- let's say,
- 8 you have five years -- you have to have five
- 9 years on a job to apply. So now that pool is
- 10 down to 150, let's say.

11

12

- So then on top of that, you start -- on my shift, I start charging these people because
- 13 I'm going to thin the pool of people that are
- 14 eligible to take the promotional exam, because
- 15 they can't take it, if they have -- let's say
- 16 they're on the second step of attendance control
- 17 or they had a 12-hour suspension. So if they
- 18 have a suspension on their record, they're not
- 19 eligible to take the promotional exam.
- 20 So what we found is that there was a lot 21 of issues with that and, you know, the Department
- 22 just wasn't hearing the charges and this
- 23 discipline would hang out over these people's
- 24 heads for two years.
- 25 Q. Is there a policy in place now to prevent this Page 31

- 1 be placed on the do not rehire list?
- 2 A. Attendance control, too many absences at work,
- 3 too many tardies, lots of disciplinary actions.
- 4 Q. In your experience, what qualifies as a lot of
- 5 disciplinary action?
- 6 A. I would presume probably a discharge and a number
- of suspensions that are duty related to having
- little regard for your position.
- 9 Q. So suspensions and discharge typically make up
- 10 the bulk of the reasons someone might be on a do
- 11 not rehire list?
- 12 A. Correct.
- 13 Q. So if somebody was never discharged, you would
- 14 solely look at suspensions then as the primary
- 15 reason for --
- 16 A. Well, I guess it would be a global look. I mean
- 17 you'd look at the -- you would look at the
- 18 discipline, citizen complaints. I guess I should
- 19 add citizen complaints. Those are really big
- 20 too. If you have a guy that has 18 citizen
- 21 complaints in two years, then there's some smoke
- 22 where there's fire usually. That could be a
- 23 problem and the discipline. So you look at I
- 24 guess the whole picture of that period of time
- 25 that the employee was at the job.

Page 33

11

- 1 Q. Do you know if Mr. Cadoura had any citizen
- complaints against him?
- 3 A. I do not, no.
- 4 Q. And at some point after his resignation,
- Mr. Cadoura came back to try to be rehired with
- the City of Detroit. Did you know about that?
- 7 A. Yes.
- 8 Q. How did you find out about that?
- 9 A. I was at the Training Academy and they were
- having physical agility tests and oral interviews
- 11 and he was there.
- 12 Q. You said you saw him at the Training Academy and
- oral interview?
- 14 A. Well, physical agility and oral interviews were
- being held at the Academy and, yes, I saw him 15
- 16
- 17 Q. Did you have any conversations with him?
- 18 A. Yeah. I said hi and good to see him. Asked what
- was going on. I knew he had a child and stuff
- 20 and I wished him well.
- 21 O. At that time did you know about any of
- Mr. Cadoura's lingering discipline?
- 23 A. I didn't think about it. I mean, you know, 2012
- I knew that there was outstanding things, but I
- 25 didn't -- didn't think about it.

was a very ugly period and EMS was being

- 2 systematically destroyed and, you know, we were
- 3 all different, you know, ten years ago.
- 4 Everybody. I mean if you look at yourself ten
- 5 years ago, you were probably a different person,
- 6 and so this is a man that was fighting hard to
- 7 improve the lot for everybody at EMS and, you
- 8 know, post-bankruptcy, we came up a lot better
- 9 and at the time when he was applying, EMS was
- 10 growing and doing well with good equipment,
 - hiring lots of people and, you know, he had a
- 12 family and, you know, when you become a family
- 13 man, you kind of change and you're not just
- 14 responsible for yourself, you're responsible for 15 your family.
- 16 So you become a little more conservative
- 17 and you think about your actions. You know,
- 18 maybe you're not going to be as aggressive
- 19 because, let's say, you've got a roof to put over
- 20 somebody's head other than yourself. You're more 21
- conservative in some of the things that you maybe 22 say and do. So I think, you know, we all have
- 23 grown some. I've grown some as a person. I
- 24 wasn't, you know, the guy I was at, you know,
- 25 2012.

1

Page 34

Page 36

- 1 Q. Were you surprised to see him back at the
- Training Academy?
- 3 A. No. I mean Ron Meyers showed up as well and he's
- a guy that had retired years earlier. So from
- 5 time to time we can have some guys show up at the
- 6 Training Academy. It was good to see him.
- 7 Q. And do you know what became of Mr. Cadoura's
- attempt to be rehired by the City of Detroit?
- 9 A. I don't believe he was rehired.
- 10 Q. Do you know why he wasn't rehired?
- 11 A. I only had one discussion about this and that was
- 12 with Chief -- Assistant Chief Raymond Burch and I
- 13 guess he was on a do not rehire list and he had
- 14 asked me what my thoughts were and I told him
- 15 that I thought we should, you know, take a look
- 16 at rehiring him.
- 17 Q. Was that your recommendation then?
- 18 A. Pardon me?
- 19 Q. Your recommendation was -- you said that you
- 20 spoke with Raymond Burch that he was on the do
- 21 not rehire list and that Chief Burch asked you
- 22. your thoughts and that you -- then you said that
- "you should look into rehiring him." Was there 23
- 24 anything that you base that statement on?
- 25 A. Well, you know, the period up to the bankruptcy Page 35

- So at the end of the day, I thought, you
- 2 know, this guy never hurt anybody that I know of.
- 3 Most of his discipline was based against
- 4 management that was adversarial and I don't
- 5 recall any patient care complaints and he treated
- 6 citizens well. So I didn't see a problem with
- 7 bringing him back and that's what I told Chief
- 9 Q. And you said that most of the issues were
- adversarial against management; is that correct?
- 11 A. Yes, that I can recall.
- 12 Q. What you said earlier about becoming a family man
- 13 causes people to become less aggressive about --
- 14 in pursuing thoughts and actions, is that what
- 15 you were referring to?
- 16 A. Well, that was just my opinion I guess I should
- 17 say. You know, this is an observation that I had
- 18 that when people become family men and have
- 19 children, they change a little bit.
- 20 Q. So would you have described Mr. Cadoura during
- 21 his first stint in Detroit as very passionate
- 22 about improving the Detroit Fire Department?
- 23 A. I do. I would say that describes him.
- 24 Q. And how did you find out that Mr. Cadoura was not
- rehired? 25

Page 37

Atkinson-Baker, A Veritext Company

- 1 A. Well, I believe through Chief Burch.
- 2 Q. Did you have any reaction to that knowledge that
- he wasn't going to be rehired? 3
- 4 A. No.
- 5 Q. During your time working with the City of Detroit
- and being on the same payroll as Mr. Cadoura, did
- 7 you ever hear any issues regarding Mr. Cadoura's
- 8 lawsuits?
- 9 A. No.
- 10 Q. So as we sit here today, other than this current
- lawsuit, do you know about any of Mr. Cadoura's
- 12 other lawsuits he might be involved in?
- 13 A. No.
- 14 O. And the one in 2012 that you mentioned -- that
- 15 was a -- was that a settlement with the --
- between the union and the Fire Department or was 16
- 17 that a lawsuit settled?
- 18 A. No, that was a settlement agreement between the
- 19 Fire Department and the POAM.
- 20 Q. Do you know if Mr. Cadoura was ever given an exit
- interview?
- 22 A. I have no idea.
- 23 Q. Isn't it typical for someone to get an exit
- interview?
- 25 A. They're supposed to, yes.

1 might have been Captain Wade.

- 2 Q. And when discipline -- going back to our
- discussion earlier on discipline. When
- 4 discipline is issued by a supervisor, what's the
- 5 process for the documentation about that
- discipline? 6
- 7 A. What will happen is the supervisor will write an
- 8 investigative packet. Generally he'll collect --
- 9 he or she may collect statements from, let's say,
- 10 a citizen complaint from the citizen, collect
- 11 statements from the crew or any witnesses
- 12 involved, and they'll compile all that and then
- 13 summarize their findings with their 14
 - recommendation to charge.

That will go to the shift captain and the shift captain will either say, "Yeah, we recommend" -- you know, "I agree with you on this" and charges will be prepared or the captain

- 19 will say, "No, this doesn't rise to that level.
- 20 Give him a written reprimand or give him an oral
- 21 consultation." "Give he or she an oral
- 22 consultation." So that's usually where it goes.

Once there is some charges, it's processed over to the admin side of the building, where an admin will go ahead and type up the

- 1 Q. And what typically is the content or discussion
- that is in an exit interview, if you know?
- 3 A. I have never had one. As Assistant Chief, most
- of the time those would have been handled by
- 5 Captain Olkowski. Usually administrative
- 6 captains would handle that.
- 7 Q. Why don't we go ahead and take a five, ten-minute
- break. I'm going to refill my water and
- 9 everything and then we'll come back here around
- 10 11:30. Does that sound good?
- 11 A. That's fine.
- 12 (Break taken)
- 13 MR. SHEAROUSE: Back on the record.
- 14 BY MR. SHEAROUSE:
- 15 Q. We were talking last about exit interviews and
- you said that you have never had to attend one; 16
- 17 is that correct?
- 18 A. That's correct.
- 19 Q. And you said that's typically handled by the
- 20 admin captain, correct?
- 21 A. Correct.
- 22 O. Who would that have been in the time of
- Mr. Cadoura's resignation in 2012/2013?
- 24 A. It may have been Captain Wade, but I'm not 100
- percent sure, but during that period of time, it Page 39

- 1 paperwork with the notification to the union and
- 3 the Field Operations where the paperwork is taken

to the employee and that paperwork goes back to

- 4 out, where the employee will sign for it, and
- 5 then they have the charged hearing on the
- specified date.
- 7 Q. And those are sent along you said to the captain
- after the reporting supervisor makes -- does his
- 9 investigation?
- 10 A. Correct. The shift captain where that shift the
- 11 employee is on.
- 12 Q. And are there types of discipline that can apply
- 13 to a whole unit of a certain ambulance on a
- 14 shift?
- 15 A. I guess I don't understand your question.
- 16 Q. Is there -- let me try to rephrase. Would there
- 17 be an action or inaction by one EMS person on the
- 18 EMS crew that could have the entire crew
- 19 disciplined?
- 20 A. Absolutely.
- 21 Q. What kind of things would those be?
- 22 A. Well, the things would be improper patient care.
- 23 You know, there's two people on the truck and,
- 24 you know, not everything rises -- even if you're
 - a basic EMT on the truck with a paramedic,

Page 41

11 (Pages 38 - 41)

25

- 1 ultimately the paramedic is in charge, but if
- 2 somebody is doing something that's so negligent,
- 3 you still have the duty to, you know, do the
- 4 right thing. So something in that situation.
- 5 Lost equipment. Unless one party were to say
- 6 necessarily take the responsibility and like,
- 7 "Hey, I lost the blood pressure cuff," or what
- 8 have you, and then say, you know, the crew is
- 9 disciplined collectively for missing equipment.
- 10 Q. And when an incident is reported for potential
- 11 discipline, are written statements of the other
- 12 technicians or employees taken as well?
- 13 A. Yeah, generally.
- 14 O. And if you know, how much weight is given to
- 15 those witness statements?
- 16 A. You know, that's -- that's a tough question to
- 17 answer because it's -- you know, it's just like
- 18 anything, no two situations are the same, no two
- 19 witnesses are the same. I mean you just have to
- 20 look at the packet globally. Everything that
- 21 happened. You know, the facts. Look at the CAD
- 22 sheets, look at, you know, as many facts that you
- 23 can find. You know, objective things, not
- 24 subjective things. So I can't put a number on
- 25 that because every case is different.

- 1 Q. So when someone receives a discipline that's
- 2 worthy of a suspension, is there a particular
- 3 guideline that instructs the captain or the shift
- 4 chief or whoever is issuing the suspension as to
- 5 how much time to suspend someone for?
- 6 A. Well, there is a General Rule 11 that has
- 7 guidelines laid out, but I'll tell you, times
- 8 change. I mean, you know, when you're fully
- 9 complemented with staff, you're not suspending
- 10 to -- or you have the latitude to give a guy a
- day off here or there. You know, EMS in its 11
- 12 current state, we don't suspend anybody hardly
- 13 unless it's super egregious because we need the
- 14 bodies at work. So we hold a lot of stuff in
- 15 abeyance now. So a lot of that goes with how
- 16 much manpower you have available.
- 17 Q. And was that a similar situation in 2012/2013
- with the looming bankruptcy?
- 19 A. If you're asking my opinion, in 2012/2013 they
- 20 didn't care.
- 21 Q. Who didn't care?
- 22 A. Administrators. They didn't care.
- 23 Q. So when you say they didn't care, they didn't
- 24 care about issuing suspensions or they didn't
- 25 care about the employees themselves, just to

Page 44

- 1 Q. And if an EMT or paramedic was to receive
- 2 discipline for something that someone else on
- 3 their shift had done, would that discipline also
- 4 go through the same process of the Trial Board
- 5 and all of that?
- 6 A. Well, at the time, you know, whatever the --
- whatever -- whatever process is in place, whether
- it's 2012 or 2022, '23, all discipline should 8
- proceed through the same process, period.
- 10 Q. Going back to the time when Mr. Cadoura was
- 11 attempting to be rehired, were there any
- 12 conversations you were aware of where individuals 12
- 13 discouraged Mr. Cadoura from reapplying?
- 14 A. I can't recall.
- 15 Q. Do you know of anyone who wouldn't want
- Mr. Cadoura back?
- 17 A. I don't.
- 18 Q. Do you know if Mr. Cadoura was well liked by his 18 A. Well, people are entitled to, A, due process and
- 19 co-workers?
- 20 A. I can't really -- I can't really say. I mean,
- 21 you know, a lot of co-workers have come and gone 21
- 22 through the years and, you know, I can only
- 23 speak on myself, I can't speak for other people.
- 24 Q. In your opinion, was Mr. Cadoura a good EMT?
- 25 A. Yep. Yes.

Page 43

1 clarify?

Page 42

- 2 A. I think both. I don't think they were worried
- about the employees and I don't think they were
- 4 too concerned about giving a suspension to
- 5 somebody and it negatively impacting the amount
- 6 of trucks out on the street. I mean because
- honestly, we had only five some days, ten trucks. 7
- 8 So if they gave a guy a suspension, it didn't
- 9 impact your operation at all.
- 10 Q. So would you say back in 2012/2013 they were a
- 11 little more -- they were giving suspensions a
- little more freely?
- 13 A. Yes.
- 14 Q. In your opinion, was that always the correct
- 15 decision?
- 16 A. No.
- 17 Q. And why not?
- 19 the Department was not practicing due process.
- 20 They weren't following their own rules under
- General Rule 61C-3, was members rights, you know,
- 22 and if you find somebody guilty, everybody is not
- 23 guilty until they've went through the whole
- 24 process, as far as I'm concerned. You know, if

somebody doesn't get a chance to have their say

Page 45

25

- 1 and have it adjudicated through the process that
- 2 the Department has in place in writing in a
- 3 contract in your own rules, then, no, that's not
- 4 right and it's not fair.
- 5 MR. SHEAROUSE: I don't think I have
- 6 anything further.
- 7 THE WITNESS: Okay.
- MR. MCFARLANE: I have a couple of 8
- 9 follow-up questions.
- 10 **EXAMINATION**
- 11 BY MR. MCFARLANE:
- 12 Q. And based on what you were just talking about --
- we'll start there. So you said suspensions were
- given more freely and that they weren't always 14
- 15 getting through the process; is that correct?
- 16 A. That is correct.
- 17 Q. Okay. And at that time were you still part of
- the union?
- 19 A. Yes, sir.
- 20 Q. And what union was that?
- 21 A. That was the POAM. Police Officers Association 21
- 22 of Michigan.
- 23 Q. And did their contracts have a grievance process
- 24
- 25 A. Let me think about this for a second. There was Page 46

- then let's say there was a charge hearing, there 1
- 2 was some discipline, and then we would go ahead
- 3 and file a grievance, if we felt that the
- 4 suspension was unjust, and in the case of even
- 5 like Weingarten violations, we even took and
- filed Unfair Labor Practices. 6
- 7 Q. And those would be filed where?
- 8 A. Well, the grievances would have been processed
- through most likely the superintendent and
- 10 assistant superintendant, who his designee was.
- 11 Some went directly to HR depending on whether it
- 12 was payroll bound, or what have you. Others
- 13 would go to the commissioner level depending on
- how broad the suspension was and then the Unfair 14
- 15 Labor Practices would have been filed through
- 16 MERC.
- 17 Q. All right. And with respect to filing
- 18 complaints, earlier you said there was no process
- 19 for processing employee complaints. Is the union
- 20 able to file a grievance on behalf of an
 - employee?
- 22 A. We are and we would. We filed complaints. You
- 23 know what, there was complaints on ambulance
- 24 safety. We filed a whole bunch of complaints.
- 25 The problem is the city just never responded.

Page 48

- 1 a process in the contract that was the old
- 2 operating engineers contract that was in
- 3 operation up until 2012. In 2012 there was a
- 4 CET, which is applied after Public Act 4. It was
- 5 instituted by the state, which the whole process
- 6 was run by the city.
- 7 Coming out of bankruptcy in 2013, I
- 8 believe it was November, is when the POAM picked
- 9 up that contract. So both the 2013 -- actually,
- 10 all three. The 2013, the CET, and the old
- 11 operating engineers contract all had different
- 12 processes.
- 13 Q. Did the union ever grieve what it felt was unfair
- disciplines?
- 15 A. Yes.
- 16 Q. And that was something that they -- could the
- union file the grievance or could the member file 17
- a grievance or both? 18

13-53846-tjt Doc 13713-4

- 19 A. Well, the member could file a grievance or both.
- 20 In most cases, if there was some discipline, I
- 21 think -- for instance, I think we filed nearly
- 22 200 grievances over I think a ten-month period of
- 23 time from 2010 and in that time, we filed class
- 24 action grievances to address some of the issues
- 25 with -- that was broadly affecting everyone, and

- 1 Q. And was the union able to file like ULPs at MERC?
- 2 A. Yes, we did.
- 3 Q. Did the union file any OSHA complaints?
- 4 A. Lots of them.
- 5 Q. And are you familiar with what is now coined
- CRIA, but I believe used to be the Human Rights
- 7 Department?
- 9 Q. Are employees able to make complaints at the
- Human Rights Department or now known as CRIA?
- 11 A. They are now, yes.
- 12 Q. Are there any other entities that you're familiar
- 13 with in the City of Detroit that handles employee
- 14 complaints?
- 15 A. I imagine if you went through the ombudsman, you
- could probably file a complaint as well.
- 17 Q. Earlier you testified about the promotional
- processes and discipline that was issued 18
- 19 regarding the promotional process that kept
- 20 people from being eligible?
- 21 A. Yes.
- 22 Q. Did the union grieve that?
- 23 A. Yes.
- 24 Q. And what was the result of that grievance?
- 25 A. We ended up going and getting a CEEP applied and Page 49

Page 47

13 (Pages 46 - 49)

19				BY MR. SHEAROUSE:
20			20	Q Good morning. My name is Austen Shearouse
21				and I represent Plaintiff Cadoura in this matter. I
$\begin{vmatrix} 21\\22 \end{vmatrix}$				just have a couple of quick questions and some ground
23				
24				rules so that we can get rolling on this as quickly as
25				possible. First off, have you ever had your
23		Page 3	25	deposition taken before? Page 5
		1 age 3		1 age 3

2 (Pages 2 - 5)

- 1 A I have had a deposition done before, but
- 2 nothing related to this issue.
- 3 Q Okay. So just as a reminder, I know the
- 4 court reporter made a mention of it earlier, but
- 5 especially with it being Zoom, make sure to give a
- 6 couple of seconds after the question finishes so that
- 7 she can ensure a correct record of it and I'm going to
- 8 try to do the same for your answer. I know at some
- 9 point, we will inevitably talk over each other or
- 10 anticipate where the other one is going. It's just
- 11 kind of the nature of things. But if we could both do
- 12 our best to try to avoid that situation.
- 13 If at any point in time you need a break,
- 14 I'm happy to do that. All I ask is that if myself or
- 15 Mr. McFarlane has posed a question, I ask that that
- 16 question be answered before we take a break.
- Other than that, make sure all your answers
- 18 are verbal. No head nods or shakes or uh-uhs. That
- 19 obviously makes it very tough for the court reporter
- 20 to record them.
- 21 Can you state your full name for the record,
- 22 please.
- 23 A Yes; Donella Denise James.
- 24 Q And what is your date of birth?
- 25 A May 12, 1969.

1 Q And then, you've been a registered nurse

- 2 with them since 2002?
- 3 A Correct.
- 4 Q Were there any breaks in your employment
- 5 with that or is that continuous employment?
- 6 A It's considered continuous. Although, I had
- 7 approximately a nine month break during schooling.
- 8 But because the time was so short, they made the
- 9 employment just continuous.
- 10 Q Okay. And then, you said that you retired
- 11 from the City of Detroit Fire Department in 2016; is
- 12 that correct?
- 13 A Correct, September the 6th, I believe, is
- 14 the accurate date, 2016.
- 15 Q And when did you start working with the City
- 16 of Detroit?
- 17 A September 3, 1991.
- 18 Q And what role did you start out in at the
- 19 City of Detroit in 1991?
- 20 A With my initial employment, I was hired as
- 21 an emergency medical technician, which later then
- 22 transitioned to a paramedic, which then later became a
- 23 lieutenant, which, I believe, the classification now
- 24 is assistant EMS supervisor. And upon my retirement,
- 25 I was actually the EMS supervisor, which was a

Page 6

Page 8

- 1 Q Are you currently employed?
- 2 A Yes.
- 3 Q Where are you employed at?
- 4 A Ascension St. John Hospital in Detroit.
- 5 Q And what is your role there?
- 6 A Registered nurse.
- 7 Q And when did you start in that position?
- 8 A I've actually been employed at Ascension St.
- 9 John Hospital since August of 1994. But upon retiring
- 10 from the City of Detroit in 2016, became a part-time
- 11 employee in the emergency department.
- 12 Q So you said that you have been working with
- 13 Ascension St. John since 1994, correct?
- 14 A Correct.
- 15 Q So was that employment running congruent to
- 16 when you were working with the City of Detroit?
- 17 A That is correct.
- 18 Q Okay. And what were you doing for Ascension
- 19 St. John while you were working for the City of
- 20 Detroit?
- 21 A Was my initial employ, I was working in the
- 22 emergency department as an emergency room technician.
- 23 And then, in, I want to say, 2002, I got my nursing
- 24 license and my role transitioned at that time to a
- 25 registered nurse.

Page 7

- 1 captain.
- 2 Q And do you know about what time you were
- 3 promoted from EMT to paramedic?
- 4 A I don't. I would have to look up my
- 5 licensing dates. I really, honestly, I do not know
- 6 those dates.
- 7 Q And would you happen to know the dates for
- 8 your promotion from paramedic to lieutenant?
- 9 A Unfortunately, no.
- 10 Q And what about lieutenant to captain?
- 11 A No, sir. To be specific, a specific date,
- 12 no, I don't have that.
- 13 Q Do you have years for those?
- 14 A I would totally be speculating so I'm going
- 15 to say no.
- 16 Q No worries. Okay. So EMT to paramedic.
- 17 And the rank of captain/EMS supervisor, was that the
- 18 rank that you retired from?
- 19 A That is correct.
- 20 Q Were you ever demoted from that rank at any
- 21 point in time?
- 22 A That is negative.
- 23 Q Were you ever demoted from any rank?
- 24 A That is also negative.
 - Q in your role as a lieutenant, did you ever

Page 9

25

- 1 issue discipline?2 A Yes.
- 3 Q Can you explain the process of issuing
- 4 discipline to me?
- 5 A Well, it depends on what the actual
- 6 allegations are. But under normal circumstances,
- 7 there's an investigation that occurs where the
- 8 individual that's being, well not disciplined, but the
- 9 individual in which the charges are being preferred
- 10 usually provides a statement, either written or oral.
- 11 You usually compile all that information together.
- 12 You submit it in a written document.
- 13 Your captain, who is on your shift, reviews
- 14 those documents. And then, that information gets
- 15 forwarded to administration.
- When administration gets those documents,
- 17 they review it and then they determine whether or not
- 18 it is valid for discipline and then they prefer the
- 19 discipline.
- 20 Q And so, are there forms that you fill out
- 21 when you issue somebody discipline?
- 22 A Correct. There's actually a charge form and
- 23 there is a format that most people follow for the
- 24 charge form. But you usually include an investigative 24
- 25 summary with statements from the individual that's

- 1 they are then advised of what their discipline is. If
- 2 I'm not mistaken, the general rules did have
- 3 guidelines of where discipline could begin based on
- 4 the offense.
- 5 Q And if there is a suspension issued, is
- 6 there a form that's filled out?
- 7 A Correct; yes. There's a form that's done
- 8 when the actual charge hearing is done by either the
- 9 assistant or the chief of the department. At that
- 10 time, they're told what their discipline is. If I'm
- 11 not mistaken, it was written on the back of the charge
- 12 form as to what the penalty was.
- 3 MR. SHEAROUSE: I'm going to go ahead
- 14 and share my screen real quick. Let me know if you
- 15 can see that document clearly.
 - THE WITNESS: I think I lost you in
- 17 it's entirety. Are you there still?
- MR. SHEAROUSE: Yeah. We're still
- 19 there.

- THE WITNESS: Yes. I can see the
- 21 actual charge.
- MR. SHEAROUSE: Okay.
- 23 BY MR. SHEAROUSE:
 - Q And so, what is this document, if you know?
- 25 A Okay. The document that I'm viewing that's

Page 12

- 1 being charged and based on your findings which support
- 2 the charges.
- 3 Q And are there different levels of discipline
- 4 within the City of Detroit Fire Department?
- 5 A I'm not exactly sure what you're asking.
- 6 Can you just provide a clarification?
- 7 Q Sure. Are there different punishments
- 8 within the City of Detroit Fire Department for
- 9 discipline?
- 10 A Yes -- yes. There are levels of discipline.
- 11 But as far as an EMS supervisor, we have no control
- 12 over that. There are guidelines based on the degree
- 13 of the discipline being a first, second, third, or
- 14 subsequent offenses.
- 15 Q Are there certain actions that receive more
- 16 severe discipline?
- 17 A I don't know if the severity of the
- 18 discipline is a good term for it, but there are
- 19 guidelines which start based on allegations or the
- 20 particular rule that's violated.
- 21 Q And are those guidelines shared with the
- 22 City of Detroit personnel?
- A I don't know if they are readily available
- 24 or accessible to them. But at the time where the
- 25 charges are being heard by the administrative staff,

- 1 in my screen is the actual suspension notice. That's 2 not the charge that's preferred by the officer that's
- 3 supervising the technician at the time. That's a form
- 4 that's actually generated by the administrative
- 5 office.
- 6 Q And so, this is the administrative office
- 7 form?
- 8 A Correct.
- 9 Q Okay. And then, is it typically signed by
- 10 one of the administration and the supervisor who
- 11 issued the discipline?
- 12 A I think maybe there may be some confusion.
- 13 The actual supervisor that generates the charge signs
- 14 that charge. The form that you have in front of me,
- 15 which is the notice of the suspension, is more of a
- 16 summation of what the charge is and then it outlines
- 17 or details the suspension itself. That's not the
- 18 actual charge form that gets generated by the
- 19 supervisors.
- 20 Q Okay. So that suspension notice is filled
- 21 out after all of the proceedings have concluded then?
- 22 A That is correct.
- Q And with that form particularly, that makes
- 24 a recommendation for discharge, correct?
- 25 A For discharge? I mean, it can include up to Page 13

Page 11

4 (Pages 10 - 13)

- 1 discharge. But that particular document that you
- 2 showed me detailed a suspension, the duration of the
- 3 suspension and what the actual suspension was for.
- Q What are some reasons that that document
- 5 might be filled out to recommend termination?
 - A I don't have that information for you.
- 7 Q Have you ever recommended somebody for 8 termination?
- A That is a negative. That is nothing -- that
- 10 -- the recommendation for termination does not come
- 11 from the field supervision office.
- Q So when you issue discipline for someone 12
- 13 subordinate to you, you don't make a recommendation 13 individuals retiring or leaving the department, then
- 14 for termination or not?
- A That is accurate. We have no involvement of
- 16 what the suspension could be, up to and including
- 17 termination.
- Q Have you ever been involved in the hiring
- 19 process for the City of Detroit?
- 20 A That is a negative; not that I can recall.
- 21 Q Are you familiar with the City of Detroit
- 22 having a "do not rehire" list?
- 23 A Not that I have been involved -- I'm
- 24 sorry -- not that I have ever been involved in the do
- 25 not hire process so I'm not absolutely sure of what

Page 14

- 1 not mistaken, because it's been a while -- that you
- 2 ride as a third or it used to be that you would ride
- 3 as a third person on the truck as a paramedic during
- 4 the probationary period. And then, once you were
- 5 deemed competent then you were given the ability to
- 6 function fully as a paramedic on the truck.
- 7 As far as being promoted from paramedic to
- 8 lieutenant or assistant EMS supervisor, there was a
- 9 written test that you had to do as far as an oral
- 10 interview. And then you were placed on an eligibility
- 11 list, which was, if I'm not mistaken, valid for two
- 12 years. And as positions became available, as far as
- 14 you would get promoted to lieutenant, which was the
- 15 same process as being a captain. There was a written
- 16 as well as an oral interview.
- 17 Q Okay. So once someone files a letter of
- 18 interest for paramedic and they secure their licensure
- and perform their hours, what stair next step?
- 20 A There is a probationary period. Like I
- 21 said, they work on a vehicle as a third under the
- 22 supervision, it used to be, of a more senior paramedic
- 23 where they could get feedback and instruction,
- 24 teaching, experience. And then, after that time, they
- 25 were also being evaluated by supervisors who would

- 1 all of the requirements or what the stipulations are
- 2 for an individual being deemed as do not rehire.
- 3 Q So you've never recommended anybody not to
- 4 be hired?
- 5 A That is correct; never.
- 6 Q Have you ever heard about someone not being
- 7 recommended to be rehired?
- A Yes. But as far as knowing the reason why
- 9 they weren't rehired, no.
- Q Can you explain the promotional process
- 11 within the City of Detroit Fire Department, starting
- 12 from the EMT position?
- A Well, from the EMT position to be promoted
- 14 for to a paramedic, you have to complete an approved
- 15 paramedic program and then you have to be successful
- 16 with the licensing process through the City of
- 17 Detroit. I mean, not the City of Detroit, through the
- 18 State of Michigan.
- 19 At that time, you then submit a letter of
- 20 interest for paramedic and then there's requirements
- 21 within the department that you have to do so many
- 22 hours of rotation as a third person on the vehicle, on
- 23 the paramedic truck. You're usually evaluated by one
- 24 of the supervisors, as far as being competent to
- 25 perform in your duties. And then, you work -- if I'm

- 1 also periodically respond to runs to see how they were 2 performing. And if there was no issues with that,
- 3 then after the probationary period, they would be
- 4 certified as a paramedic.
- 5 Q During your time at the City of Detroit, did
- 6 you ever work with Richard Cadoura?
- A Not that I can -- I'm sorry -- not that I'm
- 8 able to recall have we ever worked on an ambulance
- 9 together. I am able to say that at some point in time 10 during my career, I was a supervisor for him.
- 11
- Q And what was your impression of him?
- 12 A As far as -- just for clarification -- as
- 13 far as being a supervisor for him?
- Q What was your impression of his ability as 14
- 15 an EMT to treat patients?
- A If I'm able to recall, I don't believe there 16
- 17 was ever any issues of him improperly caring for a
- 18 patient that I'm aware of. I don't think any of the
- 19 issues with Mr. Cadoura were related to patient care,
- 20 as far as when I was a supervisor for him.
- 21 Q But you said there were issues with him?
- 22 A No. Just for clarification, I'm saying as
- 23 far as I'm aware, I can't recall any issues that I had 24 with him related to patient care.
- 25 Q Right. But there were issues, you're

Page 17

Page 15

1

- 1 saying, non-related to patient care?
- 2 That is correct. Yes.
- 3 And what were those issues?
- Mr. Cardura had issues with supervision. He
- 5 did not take direction well if it was something that
- 6 he did not agree with. There were instances where it
- 7 was detailed of him being insubordinate as far as and
- 8 also as far as disobedience, refusing to wear the
- 9 uniform in the prescribed manner, refusing to shave,
- 10 issues such as that.
- Q And onto the uniform point, is there a
- 12 reason that someone might not wear the uniform
- 14 A There can be instances where a technician's
- 15 uniform gets soiled with blood or body fluids on the
- 16 scene of a run. That can be an issue. Or just
- 17 failing to not be compliant with what the uniform
- 18 regulations are.
- All of the employees, the department had a
- 20 rule where you were required to bring a spare uniform 20 discrimination lawsuit which was years ago where him
- 21 to work in the case of if a uniform gets soiled you
- 22 would have a clean uniform to change into.
- 23 Q Are you supposed to keep that spare uniform
- 24 on the truck?

1

25 A Yes, sir, you are. Yes. You are.

Page 18

- A Can you provide clarification on that?
- 2 Q Sure. Do you ever recall Mr. Cadoura making
- 3 a complaint that somebody was harassing him?
- A No, not that I can recall.
- Do you ever recall Mr. Cadoura making any
- 6 complaint or notifying anyone in the department about
- 7 policies not being followed?
- A No, not that I can recall. Other than, I
- 9 mean, if you want to say something as vague about if
- 10 he got disciplined and then complained about the
- 11 discipline that was being preferred against him. But
- 12 that would kind of be normally what most technicians
- 13 would do. They weren't in agreement with what they
- 14 were being accused of. So anything specific, not that
- 15 I'm able to recall.
- 16 Q So other than this lawsuit, are you aware of
- 17 any other of Mr. Cadoura's lawsuits?
- 18 A The only lawsuit that I have some
- 19 information but it's vague was a reverse
- 21 and several other individuals were suing the
- 22 department alleging reverse discrimination.
- 23 Q Do you know what happened with that suit?
- 24 A As far as the specifics of it? No. Other
- 25 than the fact that I was told that it was dismissed.

Page 20

- Q So you said that there were instances of
- 2 insubordination. Can you give me a specific?
- A Mr. Cadoura didn't like to shave. In
- 4 compliance with MIOSHA, in order for a HEPA mask to
- 5 fit secularly on one's face, in the absence of having
- 6 a shaven profile, the technicians were required to be
- 7 clean-shaven. Mr. Cadoura did not like to shave. So
- 8 I can attest to an incident in which I had where he
- 9 refused to shave and he became insubordinate when I 10 addressed him on shaving.
- Q Do you know if there was any reason, in
- 12 particular, that he wasn't shaving?
- A There was no documented reason that I'm
- 14 aware of of him refusing to shave, other than just an
- 15 unwillingness to shave.
- Q During his time at the City of Detroit Fire
- 17 Department, did you ever hear about Mr. Cadoura being
- 18 the target of any racial harassment?
- A No, not that I'm aware of.
- Q Were you ever aware of anybody at the City
- 21 of Detroit during your tenure being the subject of
- 22 racial harassment?
- 23 A No -- no, not that I'm able to recall.
- 24 Q Do you ever recall Mr. Cadoura making
- 25 complaints about his situation within the department?
 - Page 19

- 1 Q Did you hear any other information about
- 2 that lawsuit?
- A No, sir. That's a negative. No.
- Q Were you aware of Mr. Cadoura being involved 4
- 5 with a news story regarding ambulance response times?
- A The only thing I can say as far as to be as
- 7 accurate as possible is that that was so long ago that
- 8 I know I was not involved in it directly. So anything
- 9 or any information that I provide to you would be
- 10 speculative.
- 11 Q So switching gears a bit. When someone
- 12 resigns from the City of Detroit Fire Department,
- 13 what's the process for them going about doing that?
- 14 A Under normal circumstances, they usually
- 15 submit a letter advising of their intent to leave.
- 16 There was a process at one time that once HR was
- 17 notified that they would do an exit interview and then
- 18 they would depart. I'm not exactly sure of the entire
- 19 process only because I'm not involved in anyone
- 20 leaving or being hired.
- 21 Q But to your knowledge, an exit interview at
- 22 some point in time was supposed to occur?
- 23 A Correct. That is correct. But my
- 24 understanding is that the exit interviews are normally
- 25 voluntarily so the technician that's leaving does not

1

2 your supervision of him?

- 1 have to comply with it.
- Q Do you know how the technician is notified
- 3 about that exit interview?
- A No. I do not.
- Q And then, if somebody resigned and then
- 6 wanted to come back to the City of Detroit, what would
- 7 that process look like?
- A I would have to say that it would be normal,
- 9 just like any other individual applying for the City
- 10 of Detroit. You would have to go through the
- 11 application process and whatever requirements were
- 12 deemed necessary. But an individual who's coming back
- 13 to the department, as long as they're not deemed a do
- 14 not rehire, would go through the same process.
- 15 Q But if they are deemed a do not rehire, is
- 16 there a different process?
- 17 A I would -- it would be my assumption that,
- 18 yes, that if they were a do not rehire then human
- 19 resources would not even allow them to come back --
- 20 Q And in regard -- oh, sorry.
- 21 A I'm sorry.
- 22 Q Oh, no, please continue. Sorry.
- 23 Q But the entire hiring process or return
- 24 process is all handled through human resources.
- 25 Q Okay. And earlier, you stated that you
- Page 22

1 sure of. If I had probably preferred a discipline and 2 it was really egregious, then I would be able to

Q Were there any issues with Mr. Moore during

A As far as his performance as an EMT and a

4 paramedic, I can't recall that I ever preferred any 5 discipline against him for violations of rules. But,

6 like I said, I mean, I'm sorry and I don't mean to,

7 like, be vague. I mean, I've been gone for six years

8 so there's a lot of things I can't remember what I did

9 yesterday. So in the absence of having something in

10 front of me that has my name on it that I'm able to

11 actually review then, I mean, I have to say that I'm

12 not sure. Anything else, I would just be guessing.

15 don't know. That's completely fine. No harm, no 16 foul. So you weren't aware of any disciplinary action

17 that Mr. Moore may or may not have received?

Q And I don't want you to guess. So please,

A As far as secondhand knowledge? Then I can

14 by all means, if you don't know, continue to tell me I

19 say, I mean, you know, supervisors would talk or you

20 would hear of other supervisors speaking in the office

21 of technicians being disciplined. I know there was an

23 was a friend that had to do with workplace violence.

24 And I believe that Brian Moore had an issue with

25 patient care, but all of the specifics of it I'm not

22 issue with Paramedic Moore and another employee that

3 recall it. But other than that, it's very vague.

- Q And you said you vaguely remember hearing 5 about a patient care issue but you wouldn't know the 6 specifics of that?
- 7 A Correct.
- Q Okay. Did you ever hear about him being
- placed on the do not rehire list?
- 10 A No, I'm not. I've got to remember. I'm
- 11 sorry. Everything's delayed. That's a negative. No,
- 12 I did not know that Brian Moore was a do not rehire.
- 13 But I know he was back on the job. I don't know if
- 14 he's still currently employed because I would see him
- 15 occasionally come to the emergency department. So I
- 16 don't know if he still works for the city.
- 17 Q Okay. But you do know that at some point in 18 time he came back to the job?
- 19 A Correct. That is correct. Yes.
- 20 Q Okay. Did you ever supervise or work with a
- 21 -- let me find it. My handwriting on this name is so
- 22 poor. Let me pull it up. Did you ever work with or
- 23 supervise a Nicholas Collingsworth?
- 24 A That is correct. Yes, I did work with
- 25 Nicholas Collingsworth. I think I worked with him a Page 25

1 didn't know the reasons that someone might be placed

- 2 on the do not rehire list?
- A That is correct. I'm sorry. I was just
- 4 checking my watch. I think that's my employer. I'm 5 sorry.
- Q No, you're okay. 6
- A As far as I'm aware, I'm not exactly
- 8 positive to be able to say what all the caveats are
- 9 that makes an individual a no rehire, a do not rehire. 10 But, I mean, as far as hearsay, I know an individual
- 11 is expected to give a certain amount of notice. But
- 12 other than that, I'm not sure what else entails that
- 13 makes the individual a do not rehire. But that would
- 14 be with any employer. The expectation is that if
- 15 you're leaving your employment you would give at
- 16 minimum a two week notice.
- 17 Q Have you ever supervised, worked with, or
- 18 heard of an individual that worked at the City of
- 19 Detroit Fire Department named Brian Moore?
- 20 A Yes. I am familiar with Brian Moore.
- 21 Q In what capacity are you familiar with him?
- 22 A As far as just totally professional as far
- 23 as him working on the job as an EMT, working as a
- 24 paramedic, and on several occasions being his
- 25 supervisor.

Page 23

7 (Pages 22 - 25)

- 1 couple times on the ambulance. But I can tell you for
- 2 sure that I was his supervisor.
- 3 Q Did you ever recommend him for any
- 4 discipline?
- 5 A Absolutely.
- 6 Q And what were some of the issues that Mr.
- 7 Collingsworth had?
- 8 A I preferred charges on Nicholas
- 9 Collingsworth for, I believe, it was for
- 10 insubordination and also for obedience.
- 11 Q Can you explain the difference between
- 12 insubordination and obedience discipline?
- 13 A Insubordination was failing to comply with
- 14 an order, being insubordinate. Just pretty much not
- 15 going to do what you were directed to do. And
- 16 obedience was more behavior dialogue.
- 17 Q Okay.
- 18 A I may have -- I would have to see documents
- 19 in his personnel file -- I may have even charged
- 20 Nicholas Collingsworth with patient care related
- 21 issues too, but I'm not exactly sure.
- 22 Q Do you know if he was recommended for the do
- 23 not rehire list?
- 24 A I want to say yes, but the specifics, I'm
- 25 not sure of why.

1 A Okay.

- 2 Q So let me know once it's visible to you.
- 3 A Are you able to enlarge it so that I can see
- 4 it?
- 5 Q Let me see. Is this at all helping if I
- 6 zoom in a little bit?
- 7 A When you zoomed in, it cut off half the
- 8 screen.
- 9 Q All right. Yeah. Let me see if I --
- 10 A Yeah. Because it wouldn't let me open it
- 11 further.
- 12 Q Yeah. I'm going to re-zoom.
- 13 A Okay
- 14 Q Let's see if this is any better? Is this a
- 15 little bit more clear?
- 16 A Okay. That's better. That's much better.
- 17 Q Wonderful. So what you see before you, this
- 18 looks to me like a letter from Captain Joe Wilson to
- 19 -- or from, sorry, Gary Kelley to Captain Joe Wilson
- 20 mentioning Lieutenant John Sablowski not to be
- 21 assigned in any role or sector that would cause him to
- 22 be the immediate supervisor of Richard Cadoura. Do
- 23 you see that?
- 24 A Yes, I do see the document.
- 25 Q Okay. Do you know why this document was

Page 28

- Q So you weren't sure of the reasoning for
- 2 that placement?
- 3 A Correct.
- 4 Q Do you know if he was ever taken off?
- 5 A Can you provide clarification when you say
- 6 "taken off"?
- 7 Q Yes. Of course. Do you know if Mr.
- 8 Collingsworth was ever taken off the do not rehire
- 9 list?

1

- 10 A That, I'm not aware of. That, I do not
- 11 know.
- 12 Q So generally, during your time at the City
- 13 of Detroit, have you ever heard of anybody being taken
- 14 off the do not rehire list?
- 15 A No, not that I'm aware of.
- 16 Q As a supervisor, did you have any insight as
- 17 to reasons why someone might be taken off of the list?
- 18 A No, I was not.
- 19 Q And you said earlier that you were not aware
- 20 of any complaints Mr. Cadoura made regarding racial
- 21 harassment during his time with the City of Detroit,
- 22 correct?
- 23 A Not -- not that I'm able to recall.
- 24 Q Okay. I'm going to share my screen again
- 25 here.

Page 27

1 issued?

Page 26

- 2 A That is a negative. I don't have any
- 3 information as to why the document was generated. I
- 4 can only provide an assumption that it's possible that
- 5 there was an investigation for some allegations
- 6 against Lieutenant Sablowski by Cadoura and until the
- 7 investigation was completed then that would warrant
- 8 him not being his immediate supervisor until that's
- 9 done.
- 10 Q And what sorts of complaints would lead to
- 11 an investigation against someone like Lieutenant John
- 12 Sablowski?
- 13 A I don't know what the specific complaint
- 14 that generated this particular letter, but it was not
- 15 uncommon for technicians to complain about
- 16 supervisors, especially if they felt like they were
- 17 being supervised or if their assumption was they were
- 18 not being unfairly treated. But with all allegations,
- 19 it warrants an investigation. And until the
- 20 investigation is concluded and the allegations are
- 21 either unfounded or found to be some validity then
- 22 they would not allow that supervisor to be the
- 23 immediate supervisor of the individual that has filed
- 24 the complaint.
- 25 Q And about how long, typically, would an

- 1 investigation into something like this take?
- A I don't think there's any specific or there
- 3 was any specific duration. It just entailed the --
- 4 what the specifics were of the allegations as far as
- 5 what resources would be needed. If it was an
- 6 allegation of any type of forms of harassment, then
- 7 normally that investigation would be held through the
- 8 law department, if I'm not mistaken.
- Q So even though there was no set time, was it
- 10 common in the City of Detroit to have these
- 11 investigations done within six months of the
- 12 complaint?
- A If that's the information that you have as
- 14 far as the deadline, then I guess that would be
- 15 accurate. But I can't say with any surety that it
- 16 would be six months. It could be less than that,
- 17 depending on how much investigation is needed, what
- 18 the details are as far as interviews with the person
- 19 that is bringing about the allegations, as far as the
- 20 individual that's being alleged to have done some
- 21 wrongdoing.
- 22 Q And I want to clarify. I'm not referencing
- 23 any specific policy or anything. I'm just trying to
- 24 find out what the average time for the investigation
- 25 duration would be.

- 3 what Mr. Cadoura's date was when he finally left the
- 1 figure this was back in 2009. That's, like, 13 years 2 ago, so that, I'm not sure. And I'm not exactly sure
- 4 department so I'm not sure what else he probably filed
- 5 against various supervisors within the department.
- O Mr. Cadoura issued his resignation in 2012-
- 7 2013, towards the end of 2012.
- A Okay.
- 9 Just so we've got a timeline going here.
- 10 And then, you said that the law department handles the
- 11 investigation for issues involving harassment; is that
- 12 correct?
- 13 A That is correct. I believe it was the law
- 14 department and then, I want to say, human relations,
- 15 maybe?
- 16 Q So those types of investigations were held
- 17 outside of the department. But were investigations
- 18 related to performance as an EMT generally taken care
- 19 of by the department itself?
- 20 A That is correct.
- 21 Q Okay. So earlier, we were talking about Mr.
- 22 Cadoura's ability as an EMT and we also discussed his
- 23 insubordination; do you remember that?
- 24 A Yes.
- 25 Q Okay. In your opinion, was Mr. Cadoura an

- Page 30
- A As far as working for the city, there's 2 nothing that's cut and dry. But I'm sure that things
- 3 needed to be investigated within a timely manner. But
- 4 that, like I said, is dependent on the amount of
- 5 investigation that's needed.
- Q Okay.
- A And as you can see, the document says "until
- 8 further notice," which would make me believe that
- 9 there was an active investigation being done. So
- 10 until it was resolved, and to prohibit any further
- 11 issues with Mr. Cadoura and Lieutenant Sablowski,
- 12 that's why they felt that in the best interest of the
- 13 department, as well as in the best interest of the
- 14 technician, that he would be not directly supervised
- 15 by him.
- Q Then below this, you'll see that this was
- 17 issued July 14, 2008 and then February 12, 2009 there
- 18 is another letter from Gary Kelley saying, "Effective
- 19 immediately, all restrictions involving work
- 20 experience related to -- a blanked out name -- and EMT
- 21 Richard Cadoura are hereby lifted."
- Do you know any other supervisors that
- 23 Cadoura might have made complaints against that would
- 24 prohibit him working with them?
- 25 A No, not that I'm aware of. I mean, you

- 1 asset to the City of Detroit?
- A In my opinion, as far as an EMT working on
- 3 the job, I could say that he probably was an asset as
- 4 far as being able to take care of patients. But
- 5 there's more to an employee -- in my opinion, there's
- 6 more to an employee than just their ability to
- 7 perform. It's the employee as a whole. And Mr.
- 8 Cadoura had an issue with being supervised. He did
- 9 not want to be directly supervised.
- 10 As long as he was given the ability to
- 11 perform in his capacity which he felt, then you didn't
- 12 have an issue with him. But any time that you
- 13 addressed him on a deficiency than he became defiant.
- 14 Now, that's my opinion. I'm entitled to my opinion.
- 15 Q Yeah, of course.
- 16 A I mean, and as you can see just from the
- 17 documents that you probably have in front of you, when
- 18 you look at Mr. Cadoura's disciplinary record, unless
- 19 there's a lot of patient care related issues, I think
- 20 the majority of Mr. Cadoura's issues was based on
- 21 attitude and behavior.
- 22 Q I meant to ask this earlier, but my
- apologies. Ms. James, have you ever been married?
- 24 A Yes, I am currently married. I have been
- 25 married for 24 years.

Page 33

9 (Pages 30 - 33)

- 1 Q Oh, congratulations.
- 2 A Thank you.
- 3 Q What is the name of your spouse?
- 4 A I'm sure you're aware; my husband is Gerald
- 5 James. He was once the chief of the department. We
- 6 both started in September of '91 together and we both 7 retired in 2016 together.
- 8 Q Love that. Yeah. I just needed that for my
- 9 clarification.
- 10 A Okay.
- 11 Q Let's see? During your time with the City
- 12 of Detroit, do you ever recall a period where a higher
- 13 than average amount of discipline was being issued?
- 14 A Let me see how I want to word this? I'm not
- 15 going to say it was a higher amount of discipline
- 16 being issue. It depends on who you're talking to
- 17 who's referring to that being a higher amount of
- 18 discipline. I think the amount of discipline was
- 19 appropriate for what was being done at that time.
- 20 There's always been discipline being
- 21 preferred throughout my -- my entire tenure within the
- 22 department. I just believe that at some point the --
- 23 what was being committed at the time just became more
- 24 egregious and was more notable that needed discipline.
- 25 Where, in the past, some disciplinary issues were kind

- 1 stating the same? 2 A That, I'm
- 2 A That, I'm not aware of. As I said before,
- 3 those types of issues related to an individual being a
- 4 do not rehire was solely on the basis of the
- 5 administrative office. The field supervision office
- 6 had no control over that or no input in that.
 - Q Were you ever aware of your husband making a
- 8 recommendation for Mr. Cadoura being placed on the do
- 9 not rehire list?
- 10 A That, I'm not aware of. Contrary to what
- 11 most people would believe, we didn't really discuss a
- 12 lot of stuff as far as what his role was.
- 13 Q So just so I'm clear, the field supervision,
- 14 do they make any recommendation to terminate, place on
- 15 do not rehire, anything like that?
- 16 A My answer to that is, no. Field supervision
- 17 has no input in that.
- 18 Q So in any of your positions that you held,
- 19 would you have had any input into those issues?
- 20 A That is negative. No.
- 21 Q Okay. Is there a position that your husband
- 22 would have held that would have required him to make
- 23 such a recommendation?
- 24 A Yes. He was the superintendent of EMS. So
- 25 yes, that would have been one of his roles.

Page 36

- 1 of looked over, sidestepped, or just not considered to
- 2 be that important. Where, at the point that probably
- 3 people are preferring or referring or alleging that
- 4 there was higher amounts of discipline.
- 5 Q So there was a time where there was
- 6 disciplinable actions that were being overlooked?
- 7 A Yes.
- 8 Q And do you know if having discipline on
- 9 someone's record prevents them from being promoted?
- 10 A I believe it's based on the type of
- 11 discipline that would prevent you from being promoted.
- 12 Depends on where it is as far as the timeliness of it.
- 13 I don't believe that an EMT can be promoted to a
- 14 paramedic with patient care related issues within a
- 15 certain period of time, but the specifics, I'm not
- 16 sure of.
- 17 Q And you said patient care related issues for
- 18 an EMT?
- 19 A I believe so -- I believe so. Yes.
- 20 Q If someone resigns with pending discipline,
- 21 are they automatically placed on a do not rehire list,
- 22 to your knowledge?
- $\,\,23\,\,\,\,\,\,\,\,A\,\,\,\,\,\,I$ don't have the knowledge of that. That,
- 24 I'm not sure of.
- 25 Q Would you be aware of any Detroit policy

- 1 Q Okay. When someone is disciplined, is there 2 an appeals process?
- 3 A Yes, there is. There's the trial board.
- 4 The technician, I want to say, had approximately 14
- 5 days to appeal for a trial board and that would be the
- 6 -- that's their route for their appeal process for
- 7 having discipline dismissed.
- 8 Q How was Mr. Cadoura's personality on the
- 9 job? Was he fairly easy-going?
- 10 A I want to say, yes, with his coworkers, but
- 11 not very easy-going with supervision, especially in
- 12 the instance of where an issue needed to be addressed.
- 13 MR. SHEAROUSE: I'm going to go ahead

- 1 since we're over Zoom. There can be a little bit of a
- 2 delay with me getting my questions out, so all I ask
- 3 is make sure to give an extra second or two at the end
- 4 of it and I'll try to do the same with your answers,
- 5 that way we're not talking over each other and making
- 6 it more difficult for the court reporter.
- 7 If at any point in time you need a break,
- 8 I'm happy to do that. All I ask is that if me or Mr.
- 9 McFarlane has posed a question to you, please answer
- 10 that question and then we can take that break.
- Before we get started here, have you
- 12 reviewed any documents in preparation for this
- 13 deposition today?
- 14 A Yes, I have.
- 15 Q What have you reviewed?
- 16 A I received a packet from the City of Detroit
- 17 via e-mail. I think there was, like, 30-some pages in
- 18 it. I tried to print them all up, but my computer
- 19 kept glitching. I've got an old computer, so I've got
- 20 what I've got. And I also reviewed those papers.
- 21 Q And what's the primary content of those
- 22 papers?
- 23 A Based on what I'm seeing is a packet of
- 24 disciplinary charge summaries from various
- 25 supervisors.

A I went for treatment for cancer. I have two

Q I'm so sorry to hear that. And you're

A I just finished -- well, I shouldn't say I

6 just finished. Probably about three weeks ago, I

Q Well, congratulations on finishing that

Q Okay. And when you took that FMLA, were you

Where are you working at?

4 currently going through treatment right now?

- 3 A Correct.
- 4 Q And prior to that, where were you working?
- 5 A Prior to that, I was working for Ascension
- 6 St. John Hospital. I had obtained my PA 330, police
- 7 authority certification, and worked for them for
- 8 roughly 3 1/2 years, something like that.
- 9 Q So did you start there sometime in the
- 10 latter half of 2017?
- 11 A No. I retired -- actually, I retired from
- 12 the City of Detroit August -- I'm not sure the exact
- 13 date of 2018. I finished out my shift and that next
- 14 morning when I finished out my shift, I started at
- 15 Ascension in orientation, 2018.
- 16 Q And you worked at Ascension St. John in a
- 17 security capacity?
- 18 A Yes, I did.
- 19 Q And did you work that job continuously until
- 20 you switched over to Beaumont?
- 21 A Correct. I moved up to St. Clair County and
- 22 the Beaumont facility had just opened up. It was
- 23 brand-new and it was closer to my home location.
- 24 Q And so then, prior to Ascension, you were
- 25 working for the City of Detroit; is that correct?

Page 9

- Q And the last thing before we get into it is,
- 2 make sure that all your answers are verbal. So if at
- 3 any point in time you start nodding or mm-hmm, uh-huh,
- 4 the court reporter might ask you to make sure it's a
- 5 verbal answer. Because it, obviously, is very
- 6 difficult for her to take down a physical response on
- 7 text.
- 8 So can you state your full name for the
- 9 record, please.
- 10 A John Fitzgerald Sablowski.
- 11 Q And what's your date of birth?
- 12 A 19 June, 1965.
- 13 Q And are you currently employed?
- 14 A No, I'm not.
- 15 Q When was your last date of employment?
- 16 A The last day I worked had to have been
- 17 somewhere right around the end of August. I went out
- 18 for treatment, for medical treatment. I went off
- 19 FMLA.
- 20 Q August of 2022?
- 21 A Yeah, sometime at that point in time.
- 22 Q Okay.
- 23 A I'm not exactly sure of the date that I went
- 24 off on FMLA. I know when my procedure was, but.
- 25 Q And why did you have to go on FMLA?

Page 7

3 (Pages 6 - 9)

- 1 A Correct.
- 2 Q And when did you start with the City of
- 3 Detroit?
- A Started with the City of Detroit in 1993,
- 5 the exact date, I don't recall. I believe it was
- 6 sometime in August.
- 7 Q And you retired from there in August of
- 8 2018?
- 9 Correct; as soon as I hit my 25th year.
- 10 Q And when you started in 1993, what was your 11 position?
- 12 Emergency mobile medical technician.
- 13 Q And were you promoted from that position?
- 14 A
- 15 Q When were you promoted?
- 16 A I want to say about four or five years
- 17 later, I obtained my paramedic and I was promoted to 17
- 18 advanced EMT.
- Q And you had to obtain your paramedic's
- 20 certification for that?
- 21 A Yes, I did.
- 22 Q Is that certification still current?
- 23 A Yes, it is.
- 24 Q Has it ever lapsed?
- 25 A No, it has not.

1 captain, which was Captain Smaller, I stepped down

- 2 back to the lieutenant position and worked under
- 3 Captain Smaller until I retired.
- Q During your time as a lieutenant, what were
- 5 your job responsibilities?
- A As a lieutenant, my job was to support the
- 7 crew in the field when they needed supplies, whatever
- 8 their daily needs were. I had to make myself
- 9 available whenever I reported for duty until the time
- 10 I went home to take care of them needs within their 11 job scope.
- 12 I also was responsible for doing
- 13 investigations based on citizen complaints, internal
- 14 complaints. Upon completing those investigations,
- 15 formatted a summary and forwarded it to my shift
- 16 captain with recommendations and findings.
- Ultimately, the shift captain had the final
- 18 determination and any outcome of any investigation. 19 Sometimes those investigations, depending on how
- 20 severe they were, were sent up to the chief prior to
- 21 any formal disciplinary or actions being taken.
- 22 Q So correct me if I'm wrong. So it sounds
- 23 like your role as a lieutenant in the investigations
- 24 was kind of the information collection; is that
- 25 correct?

Page 10

Page 12

- 1 Q And then, after that promotion in 1997,
- 2 roughly, were you promoted again?
- A Yes, I was. 3
- 4 Q What was the next promotion?
- 5 A I was brought up as an acting lieutenant,
- 6 which I held that position for two years. I had to
- 7 retest again and I was promoted to lieutenant, full-
- 8 fledged lieutenant.
- Q And when were you acting lieutenant? A Right around 2004, 2005, I believe. I don't
- 11 have the exact date. You would have to pull my -- my 11 written letters, summate it and forward it. And
- 12 record from the City of Detroit.
- Q And then, after that two-year period, you
- 14 retested and were fully instated as a full-time
- 15 lieutenant?
- 16 A Yes.
- 17 Q And was that the position you held the
- 18 remainder of your time?
- A Yes, it is. I acted as an acting captain
- 20 for seven or eight months after Captain James had
- 21 retired. And I believe she retired in 2016, so I held
- 22 acting captain for that period of time.
- Q And once that acting captain position ended,
- 24 you went back to your lieutenant role?
- A Yes. Once they brought up the full-fledged

- 1 A Correct.
- 2 Did you ever make any recommendations?
- 3 Yes, I have.
- 4 Q And how does that process work?
- 5 Based on the type of incident, complaint,
- 6 allegations, incidents, whatever, I would review all
- 7 parties' information. It's pretty much like sitting
- 8 before a, like what you're doing right now, you're
- 9 fact-finding. Okay? I pull in everybody that's been
- 10 involved in the incident and question them. Get
- 12 depending on, again, the degree of it, could it be a
- 13 counseling statement all the way up to a
- 14 recommendation of a charge, department charge.
- 15 Q And a counseling statement, what is that, 16 exactly?
- 17 A A counseling statement is, it's basically a
- 18 form that I take out that after I found that there was
- 19 enough evidence that there was wrongdoing. I would
- 20 take a copy of the policy, go out, sit with the
- 21 technician, and explain what I found. And our way of
- 22 working it out so it doesn't happen again was we were
- 23 going to have a conversation about it. And on
- 24 completion of that conversation, the technician agrees 25 to do better and not do what they did wrong and we

1 move on.

- 2 That counseling statement stays in a file at
- 3 the chief's office for two years and it's thrown out
- 4 after two years. If they continue in that role of
- 5 behavior, then they set a pattern. On that pattern,
- 6 then we move up to the next step of the disciplinary
- 7 process, which could be department charges.
- Q But you said you have made the
- 9 recommendation for charges before, correct?
- 10 Yes.
- 11 Q Does that process differ from the counseling
- 12 statement?
- 13 There are certain things that you can
- 14 counsel on and there are certain things that you
- 15 can't.
- 16 Q What --
- 17 A I'm sorry?
- 18 Q My apologies. Please continue.
- 19 A There are certain things you can counsel on
- 20 and some certain things that you can't. Again, the
- 21 recommendation goes to the captain. We discuss it.
- 22 Depending on the egregiousness of the action, it would
- 23 even go up to the chief and then come back. Now, I've
- 24 worked under a number of different chiefs from Gary
- 25 Kelley -- actually, Gary Kelley was in and then James
 - Page 14

- MR. SHEAROUSE: Let's see, where was I? 1
- 2 BY MR. SHEAROUSE:
- Q So you mentioned a couple different areas
- 4 or, I guess, types of potential discipline that you
- 5 issued. Was there one that was more common than the
- A Well, it varies. Like I said, every day,
- 8 you know, it could be something different.
- Q And so, once you do your investigation and
- 10 submit your report, along with that report, are you
- 11 making that recommendation for discipline?
- 12 A Yes. Some -- some cases, I make the
- 13 recommendation for discipline. Patient care and
- 14 handling was number one. Our job is to help people
- 15 and take care of them and I feel that if there was an
- 16 egregious act that brought suffering to that patient
- 17 that it warranted disciplinary under the Detroit Fire
- 18 Department policies and procedures.
- 19 Q So were there certain investigations that
- 20 you didn't recommend discipline on or that you
- 21 couldn't -- sorry, strike that.
- 22 Were there certain areas of discipline that
- you could not recommend disciplinary action on?
- A No, I can recommend disciplinary actions on
- 25 everything that I came across that was infracted.

Page 16

- 1 Kesteloot, Gerald James, assistant chief Joe Wilson --
- 2 everybody had their own way of handling things. So we
- 3 would just discuss it and they would make the final
- 4 recommendation.
- 5 Q And what sorts of things did you recommend 6 discipline for?
- A It could be -- it varied -- it varied in
- 8 many different degrees. Continuous violation of
- 9 department policy, placing the unit in service, being
- 10 in proper uniform, grooming standards, cruising the
- 11 city streets, not notifying your supervisor that
- 12 you're going to be out of quarters, all the way up to
- 13 patient care and handling to conduct. I mean, it
- 14 varied.
- 15 There were, I want to believe, I don't have
- 16 them anymore, but the policies and directives, there
- 17 were close to 100 policy and directives that could be
- 18 violated within the Detroit Fire Department EMS
- 19 Division. And on top of that, you had your general
- 20 rules under the fire department.
- 21 THE REPORTER: I think we're having
- 22 technical issues. Can he hear us?
- MR. MCFARLANE: Yeah, he can hear us.
- 24 The video is just scrambled. He's been responding
- 25 throughout.

- 1 However, the purpose of disciplinary isn't to be
- 2 punitive or harm somebody, it's to correct bad
- 3 behavior. So if I can correct the bad behavior by
- 4 counseling statements on the minor stuff, like I said,
- 5 not being at quarters, cruising, not placing
- 6 themselves in service, you know, the minor stuff, then
- 7 I was able to work that out without having to do the
- 8 hardship of the paperwork and go through the whole
- 9 disciplinary process unnecessarily.
- 10 Q Did you ever recommend someone to be
- 11 terminated?
- 12 A Under General Rule 11, the only one that can
- 13 put that through is the chief. I do not believe that
- 14 I have ever recommended anybody be terminated. I
- 15 can't recall ever submitting paperwork to have
- somebody terminated.
- 17 Q Were you ever asked for your opinion on a
- 18 termination?
- 19 A No.
- 20 Q So as far as terminations go, did you have
- 21 any input at all?

Page 15

- 22 A I do not, again, recollect ever being a part
- 23 of any process in which my opinion was asked due to a
- 24 termination of an employee.
- 25 Q Have you ever been disciplined before?

Case 2:20-cv-12986-GAD-APP ECF No. John State January 9, 2023 Page 7 of 14

- 1 A Yes, I have.
- 2 Q Do you remember when the last discipline you
- 3 received was?
- 4 A Yes.
- 5 Q When was that?
- 6 A I want to say 2017.
- 7 Q Do you remember what that was for?
- 8 A Yes, I do.
- 9 Q What was that for?
- 10 A It was conduct, workplace violence. An
- 11 allegation was made against me and the City of Detroit
- 12 placed me off duty and I was off for seven months.
- 13 Actually, I was terminated during that process.
- 14 Q You were terminated during that process?
- 15 A Yes, I was.
- 16 Q Did you end up coming back?
- 17 A I went to arbitration. My arbitration
- 18 attorney presented all facts, evidence, and the
- 19 arbitrator ruled in my favor. I was awarded my time
- 20 served, backpay, and made whole.
- 21 Q Are you aware of something in the City of
- 22 Detroit Fire Department known as a "do not rehire"
- 23 list?
- 24 A Yes, I am.
- 25 Q What is your understanding of that list?

- 1 infraction of department policy. Is there anything
- 2 else that might get someone on the do not rehire list?
- 3 A Again, it has to be a violation of the
- 4 department policies, general rules under the fire
- 5 department. There has to be a reason. And again,
- 6 that's only submitted by the chief, from my
- 7 understanding.
- 8 Q If someone resigns with pending discipline,
- 9 does that put them on the do not rehire?
- 10 A I'm not sure. I wasn't at that level to
- 11 make that determination or be a part of that
- 12 involvement.
- 13 Q So you're not aware of any policy that would
- 14 make that so?
- 15 A If they quit under discipline?
- 16 Q If they quit with pending discipline, does
- 17 that happen?
- 18 A I've heard -- I've heard of it. But, again,
- 19 I'm not aware of it. I don't have the policy in front 20 of me.
- 21 Q Okay. So you don't recall ever seeing a
- 22 policy like that?
- 23 A That's above my -- my chain.
 - Q So you don't recall ever seeing a policy
- 25 like that?

24

Page 18

Page 20

- 1 A There are certain -- there are certain
- 2 things that you can be terminated for that you're not
- 3 rehired. You're put down by the chief as a do not
- 4 rehire. I know attendance is one of them. The other
- 5 one is quitting without giving -- serving notice, just
- 6 up and quit. I don't want to be here anymore. You
- 7 don't show up for work, you don't follow through with
- 8 your schedule. Depending on the type of disciplinary,
- 9 it could be even under General Rule 11, which could be
- 10 a major infraction of department policy.
- 11 THE WITNESS: Is my video the only one
- 12 that's acting up?
- MR. MCFARLANE: It appears to be.
- 14 MR. SHEAROUSE: Yes -- yes.
- 15 THE WITNESS: Okay. It's probably this
- 16 old computer. I'm running Windows 8 so, sorry. I
- 17 tried to upload the current version. I'm not techno
- 18 savvy.
- 19 MR. SHEAROUSE: It happens. It
- 20 definitely happens. I had somebody once doing it on
- 21 in early 2000's phone dial in, so I've seen it all.
- 22 BY MR. SHEAROUSE:
- 23 Q So you said that some of the things that
- 24 might put somebody on the do not rehire list would be
- 25 attendance, not serving notice and quitting, major

- 1 A No, but I've heard of it. Just like I've 2 heard of the other ones as well. The only one that I
- 3 have actually seen was General Rule 11.
- 4 Q Have you ever heard of somebody getting
- 5 taken off the do not rehire list?
- 6 A Not to my knowledge.
- 7 O Are you familiar with a Brian Moore?
- 8 A Brian Moore? I know Brian Moore.
- 9 Q Do you know if Brian Moore was placed on the
- 10 do not rehire list?
- 11 A I don't know anything about Brian Moore,
- 12 anything, outside of me supervising him.
- 13 Q When did you supervise him from?
- 14 A Oh, God. Years ago. I remember working a
- 15 run with him where we responded to a run where a guy
- 16 was shot in the street. By the time that they got the
- 17 patient loaded in the back of the truck, I intubated
- 18 the patient and started the IV and helped him out.
- 19 That was the last time. I couldn't tell you an exact 20 date.
- 21 Q Are you aware if Mr. Moore attempted to
- 22 reapply to the City of Detroit Fire Department?
- 23 A Again, I don't know anything about Mr. Moore
- 24 as far as his employment with the city, outside of
- 25 working with him one-on-one.

Page 21

6 (Pages 18 - 21)

- 1 Q And what about a Nicholas Collingsworth?
- 2 A Okay. I supervised Nicholas Collingsworth
- 3 back in the day. I didn't supervise him directly as
- 4 his immediate. Mr. Collingsworth mostly worked the
- 5 west side and I would be detailed over to the west
- 6 side periodically and had contact with him at that 7 point in time.
- 8 Q And are you aware of any details of his 9 employment?
- 10 A Am I aware of any?
- 11 Q Yes.
- 12 A As far as what?
- 13 Q As far as, was he placed on a do not rehire
- 14 list?
- 15 A Again, I don't know.
- 16 Q You mentioned earlier that improper uniform
- 17 was something that could be disciplined for, correct?
- 18 A Yes.
- 19 Q Are there situations where a technician
- 20 would be allowed to be out of uniform?
- 21 A Yes, there is.
- 22 Q What kind of situations would those be?
- 23 A They failed to place a spare uniform on the
- 24 truck and their uniform became contaminated. They
- 25 have damaged their uniform to where it needed

- 1 supervisor, what happens?
- 2 A Well, you use the chain of command. You go
- 3 through the shift captain. If you make no resolution
- 4 at the shift captain, you go to the assistant chief.
- 5 No resolution at the assistant chief, you go to the
- 6 chief.
- 7 Depending on how -- what type of complaint
- 8 it is, it can start there or it can go to the law
- 9 department as a formal complaint through human
- 10 resources -- I'm sorry -- through human resources,
- 11 which then draws in the law department, depending on
- 12 what the complaint is.
- 13 Q Is there an investigation that's conducted?
- 14 A Yes.
- 15 Q Who conducts that investigation?
- 16 A Depends where the complaint starts.
- 17 Q Have you ever been the subject of an
- 18 investigation?
- 19 A Yes, I have.
- 20 O When was that?
- 21 A I don't know the exact years.
- 22 Q Was it sometime around 2007?
- 23 A I want to say somewhere right around there.
- 24 I can't be 100 percent sure.
- 25 Q Do you remember what the content of that

Page 24

- 1 alteration or repair, at which point in time they are
- 2 required to have a second uniform, either -- well, at
- 3 the time, which the policy changed later on -- they
- $4\,$ are required to have a spare uniform on the truck at
- 5 all times.
- 6 Q So if they failed to have a spare uniform on
- 7 the truck and their uniform became soiled for some
- 8 reason or another, would that be a violation?
- 9 A It would be -- it would not be a violation 10 if they informed the immediate supervisor or the shift
- 11 captain that they had a soiled uniform and needed to
- 12 make quarters to change out if they had a spare
- 13 uniform at quarters. I've had times when I've had
- 14 crews who, later on, when the policy was changed,
- 15 didn't have a uniform in the truck. We went into the
- 16 hospital, got them a gown, got them cleaned up, and
- 17 they put on a hospital gown and we make sure the front
- 18 of their cab was clean of any contaminants and they
- 19 were sent back to quarters to change out their
- 20 uniform. If they didn't have one at quarters, then
- 21 they would be sent home. Which, there again, goes
- 22 another violation of department policy. Because now
- 23 I've got to shut a uniform -- unit down to send you
- 24 home to get a replacement uniform.
- 25 Q When an EMT makes a complaint against a

- 1 investigation was?
- 2 A It was an EO2. I'm not 100 percent sure
- 3 exactly what the allegations were, outside of that I
- 4 made -- was alleged to have made discriminatory
- 5 statements to an employee that I don't even talk to
- 6 that went to another employee that said I made these
- 7 statements that led to an investigation through human
- 8 resources and the law department.
- 9 Q And you said the allegations were based from
- 10 an employee that you did not talk to at the time; is
- 11 that correct?
- 12 A Correct.
- 13 Q Do you remember that employee's name?
- 14 A Yes; Doug Bayer.
- 15 Q Bear, B-E-A-R?
- A Something like that. B-A -- I don't know.
- 17 I know it's not, like, it's, like, Bayer aspirin, I
- 18 guess, B-A-Y-E-R or something like that. It's been a
- 19 long time.
- 20 Q Was that the only investigation that you've
- 21 been the subject of?
- 22 A No.
- Q Do you remember the other?
- 24 A Yes. There was one that a lawsuit was filed
- 25 against the City of Detroit naming multiple people by Page 25

Page 23

7 (Pages 22 - 25)

- 1 Kim Asaro.
- 2 Q And who was that filed by?
- 3 A Kim Asaro.
- 4 Q Do you know how to spell that last name?
- 5 A Last time I messed it up, I got yelled at.
- 6 I'm not even going to try.
- 7 Q And was there a resolution in that case?
- 8 A I don't know. It was at the law department.
- Q And what were the allegations against you in
- 10 that case?
- 11 A Again, I wasn't for sure on that one. I
- 12 know that she -- she listed that I yelled at her from
- 13 across the -- the bay. We were at the apparatus shop
- 14 and she was socializing with one of the mechanics and,
- 15 due to the noise in the shop, I was trying to get her
- 16 attention and I hollered across the shop for her to
- 17 expedite and get back in service because we were short
- 18 units and I was sent over there to get everybody
- 19 moving out of the shop. So I know that was one of
- 20 them. Outside of that, again, I don't recall
- 21 everything that was -- that was listed. I don't have
- 22 the packet. Never received a packet.
- Q So in that first investigation that we
- 24 talked about involving Doug Bayer, how does the
- 25 investigation process work?

- A Well, that -- that process happened where
- 2 Mr. Bayer made some allegations to Mr. Zeineh who went
- 3 through, again, HR and the law department and I
- 4 underwent a, I want to say, close to two-year 5 investigation where they questioned pretty much every
- 6 member that worked for the Detroit EMS division. They
- 7 questioned them in a survey as to my abilities as a
- 8 supervisor and if I was a racist. So it basically
- 9 gave everybody an open forum to give their opinion of
- 10 what they thought of me.
- Q During that investigation, did you have to
- 12 contact witnesses yourself?
- 13 A No.
- 14 Q At some point in time, you were the
- 15 supervisor for Richard Cadoura; is that correct?
- 16
- 17 Q Do you remember what years that was?
- 18 No, I do not.
- 19 Q Was EMT Cadoura a good EMT as it relates to
- 20 patient care?
- A Well, I worked with Cadoura when I was a
- 22 paramedic and I had no problems working with him as a
- 23 paramedic.
- Q So as an EMT himself you would say he was a
- 25 good EMT?

Page 27

- A When I worked with him as a technician. I
- 2 can't vouch for his everyday work ethics after that,
- 3 after I became promoted.
- Q So it sounds like what you're saying is
- 5 after you were promoted, there were issues?
- Yes, there was. I mean, you're aware of
- 7 that.

1

- 8 What kind of issues did you run into?
- 9 A You have the charge packets in front of you.
- 10 There were a couple times during his "tenature" under
- 11 my supervision. I've also had to counsel him for a
- 12 variety of things under my "tenature" as his
- 13 supervisor.
- O At some point in time during your
- 15 supervision of Mr. Cadoura, were you and Mr. Cadoura
- 16 placed on a do not work together limitation?
- 17 A Yes, we were.
- 18 What was the reasoning for that?
- 19 A An investigation. Apparently, Mr. Cadoura
- 20 had filed a complaint through the department or HR and
- 21 I received a letter from the chief indicating that we
- 22 were not to work directly together while the
- 23 investigation was going on, which is understandable.
- 24 It didn't hamper my overtime. If I had to
- 25 work, then another supervisor would assume that unit

Page 28

1 or that side of town and vice versa. If he worked

- 2 overtime, he would be placed in a different sector
- 3 than me or given to a different supervisor to
- 4 supervise.
- 5 Q Was there any action that resulted from that 6 investigation?
- A The only thing that I received was a letter
- 8 exonerating me from -- from the allegations, whatever
- they were. I don't know what they were.
- 10 Q And after that, did you and Mr. Cadoura
- 11 continue to work together?
- 12 A I continued to supervise Mr. Cadoura; I
- 13 believe so.
- Q Do you recall any incidents involving both
- 15 Mr. Cadoura and a Mr. Zeineh, Z-E-I-N-E-H?
- 16 A You'd have to be specific as to what
- 17 incident.
- 18 Q An incident at the hospital involving a run
- 19 sheet.
- 20 Q I have -- I remember that I was sent to do
- 21 an investigation -- well, to gather facts as to a unit
- 22 that was reporting in service and a minute later they
- 23 weren't anywhere near the hospital. And I was
- 24 requested to take a look at the run sheet as to the
- 25 documentation of the time that the unit actually put Page 29

- 1 themselves in service to see if there was discrepancy
- $2\,$ between the run sheet and the time that they reported
- 3 to dispatch.
- 4 Q And what happened during your investigation?
- 5 A To the best of my recollection, I went out
- 6 to the medic quarters. I asked for a copy -- to see
- 7 their run sheet and Mr. Zeineh refused to give it to
- 8 me.
- 9 Q Do you remember him invoking his Weingarten 10 rights?
- 11 A Yes, I do.
- 12 Q And did he ever give you the run sheet?
- 13 A No, he didn't. I went in the truck and got
- 14 it out of the glove box.
- 15 Q Did Mr. Cadoura inform you where the run
- 16 sheet was?
- 17 A I don't recall that.
- 18 Q Do you know if Mr. Zeineh was disciplined
- 19 for that?

1

- 20 A Yes, he was.
- 21 Q What kind of discipline did he receive?
- THE WITNESS: Mr. McFarlane, am I able
- 23 to discuss Mr. Zeineh's work record?
- 24 MR. MCFARLANE: Unless you hear an
- 25 objection, you can go ahead and answer.

Page 30

21 investigation, I'd have to pull video and a whole

THE REPORTER: You're welcome.

3 able to see the document on my screen?

5 see it. It's small, but I can see it.

7 zoom in for you.

13 BY MR. SHEAROUSE:

MR. SHEAROUSE: Very good. Are you

THE WITNESS: Yes, I am. I'm able to

MR. SHEAROUSE: Let me see if I can

THE WITNESS: Okay, that's good.

A Yeah. I briefly, you know, I remember bits

Q Did you conduct an investigation into this?

A There wasn't really anything to conduct an

10 better? I'll give you a second to read this over and

11 you let me know if you remember this incident.

THE WITNESS: Okay.

16 and pieces of it. It happened a long time ago.

O Okay. Do you recall that incident?

MR. SHEAROUSE: That's a little bit

22 bunch of other things, you know, get to the hospital

19 investigation into. I submitted documentation as to 20 the shift captain as to my encounter. To do an

- 23 and see if they have video, and I don't recall pulling
- 24 any video. I believe the captain may have done the
- 25 investigation. I'm not sure.

Page 32

- THE WITNESS: Okay. Mr. Zeineh was --
- 2 the only set of charges that were received from that
- 3 was insubordination for Mr. Zeineh. Your Weingarten
- 4 rights doesn't protect you from giving me a run sheet.
- 5 That protects you from making a statement that could
- 6 lead to disciplinary action. Me questioning you, it's
- 7 like you going in and receiving your -- being
- 8 mirandized, okay? Because being mirandized, anything
- 9 you say afterwards can be held against you. However,
- 10 the evidence that I collect at that scene does not
- 11 prevent you from being prosecuted, the process of
- 12 disciplinary.
- 13 Q Do you know what ethnicity Mr. Zeineh is?
- 14 A I'm not sure exactly what ethnicity he is.
- 15 I don't know -- I know he's Middle Eastern, based on
- 16 what I found out during his allegations under his EO2
- 17 against me back in '07-'08, something like that. He
- 18 was Middle Eastern. I don't know exactly.
- MR. SHEAROUSE: I'm going to go ahead
- 20 and share my screen here real quick. Oh, sorry.
- 21 Madam Court Reporter, could I get permission to share
- 22 the screen? I think I may have had it and then when I
- 23 left I think it revoked it.
- 24 THE REPORTER: You're all set.
- 25 MR. SHEAROUSE: Wonderful; thank you.
 - Page 31

- 1 Q Did you ever see the statements from the
- 2 other two EMTs that were there?
- 3 A Yeah. I think I got something here that was
- 4 in that packet on this one. Let me see if I can find
- 5 it. Mark Astalos and Pat Payne submitted some
- 6 documentation.
- 7 Q And you said you had those statements in
- 8 front of you?
- 9 A Yes, I do. Yeah. They were asked to submit
- 10 letters. I'm sorry.
- 11 Q And are those in their own handwriting?
- 12 A I guess they're in their handwriting. I'm
- 13 not sure. I don't -- I'm not an expert at handwriting
- 14 and I don't have a copy of their -- but this is what's
- 15 submitted within the packet.
- Q And reading over that statement, do you see
- 17 towards the bottom of Mr. -- I can't pronounce that
- 18 name.
- 19 A Astalos?
- 20 Q Yeah, Astalos. I butchered that last
- 21 name -- Mark's, I'll call him Mark -- at the bottom of
- 22 Mark's statement, where he says "Mr. Cadoura said in a
- 23 nonthreatening voice."?
- 24 A Okay.
- 25 Q Is there a reason that Mr. Mark would say

- 1 that it was in a nonthreatening voice and differ from
- 2 your account?
- 3 A Technicians don't like to go against
- 4 technicians. Just like police don't go against police
- 5 and firefighters don't go against firefighters.
- 6 Technicians don't like to go against technicians.
- 7 Q So you're saying Mr. Mark's account is
- 8 incorrect?
- 9 A Yes.
- 10 Q And would that be the same for Mr. Payne's
- 11 account as well?
- 12 A Correct.
- 13 Q And other than your statement given to the
- 14 chief on this incident, are there any other documents
- 15 that support your position?
- 16 A I don't believe so. I'm not sure.
- 17 Q You said you left the City of Detroit in
- 18 2018, correct?
- 19 A Correct.
- 20 Q Do you ever recall Mr. Cadoura reapplying to
- 21 the City of Detroit EMS?
- 22 A No. I'm not -- I'm not 100 percent sure. I
- 23 know somebody who had left was trying to get their job
- 24 back but I'm not sure who it was, if it was Cadoura.
- 25 You mentioned Hollingsworth. I'm not sure who it

- 1 was placed on a do not rehire, so that would be
- 2 premature for me to say.
- Q If Mr. Cadoura was placed on do not rehire
- 4 due to pending discipline, would that be something
- 5 that you're familiar with?
- 6 A I am not familiar, again, with why he left,
- 7 under what circumstances that Mr. Cadoura left, or
- 8 even him applying for the City of Detroit again. I'm
- 9 not aware of it.
- 10 Q But more generally, are you aware of any
- 11 policy that states that pending discipline is
- 12 automatic placement on the do not rehire list?
- 13 A I'm not aware. Again, that's above my pay 14 grade.
- MR. SHEAROUSE: I'm going to go ahead
- 16 and share my screen here real quick. I zoom in for
- 17 you. Do you see this document in front of you?
- 18 THE WITNESS: If you can zoom it up?
- 19 Yes, I see the document.
- MR. SHEAROUSE: I can zoom in a little
- 21 bit more, if that helps?
- 22 BY MR. SHEAROUSE:
- 23 Q This was in reference to that run sheet that

Q Do you see towards the bottom, the third

- 24 we mentioned earlier.
- 25 A Yes.

1

Page 34

Page 36

- 1 might have been, or Brian Moore? I don't know.
- 2 Q Around 2018, was there a large need for more
- 3 EMTs in the City of Detroit EMS?
- 4 A There's always a need for EMTs in the City
- 5 of Detroit.
- 6 Q Hopefully, experienced ones?
- 7 A Everybody. Even private sectors are looking
- 8 for experienced EMTs. I can walk out the door right
- 9 now and have a job within a couple of hours.
- 10 Q And do you have any input in the rehiring
- 11 process?
- 12 A No, I do not.
- 13 Q Did anyone ever ask you for your opinion on
- 14 the applicants?
- 15 A I do not recall being asked for anybody who
- 16 wanted their job back how I felt about it.
- 17 Q So you were never asked about Mr. Cadoura?
- 18 A No, I was not.
- 19 Q Were you aware that he was placed on the do
- 20 not rehire list?
- 21 A No, I was not.
- Q Do you believe he should have been on a do
- 23 not rehire list?
- 24 A I don't have his disciplinary record and nor
- 25 do I have his HR record, which would indicate why he

- 2 paragraph, where it says "Technician Richard Cadoura,3 Badge Number 608, directed me to the location of the
- 4 requested run sheet."
- 5 A Okay.
- 6 Q Does that help refresh your memory on if Mr.
- 7 Cadoura directed you to the run sheet?
- 8 A Yes -- yes, it does.
- 9 Q Okay. Do you have any reason to correct
- 10 that statement in this document right here?
- 11 A No. There's no reason for me to recorrect
- 12 it. If Mr. Zeineh refused to give it to me and go to
- 13 the truck and get it, and Mr. Cadoura obviously, in my
- 14 statement, typed out that he directed me where the run
- 15 sheet was at.
- 16 Q So when a unit is out, is in service, and is
- 17 looking to refuel, do they need to notify dispatch?
- 18 A Yes, they do. If they don't have a fuel
- 19 yard immediately in their location and they're heading
- 20 away from their immediate area, they're going to
- 21 notify dispatch they're heading for fuel. And when
- 22 they arrive at the fueling yard, they're required to
- 23 let dispatch know they're at the fueling yard. And 24 when they leave the fueling yard, dispatch is
- 25 notified. This way, they're not given a run while

Page 37

10 (Pages 34 - 37)

- 1 they're fueling their truck, unless it's a top
- 2 priority and they have no units available.
- 3 Q And is that a City of Detroit policy?
- 4 A It's an EMS policy.
- 5 Q EMS policy?
- 6 A Yup.
- 7 Q And would that policy be in the handbook?
- 8 A It should be. Again, I don't have that
- 9 stuff with me anymore. It's either a policy or a 10 directive.
- 11 Q What's the difference between a policy and a
- 12 directive?
- 13 A A directive is, basically, the chief --
- 14 again, I can't give directive, a formal directive to
- 15 the entire division. The chief will make a directive.
- 16 Instead of invoking a policy, this is a directive.
- 17 This is what I'm telling you you have to do in lieu of
- 18 this policy, all orders of your superior must be met.
- 19 Okay? They'll put out directives. And directives and
- 20 the policies go into a book at quarters. Every day
- 21 that we make rounds to them quarters, if we have a new
- 22 one, we not only put it in the book but we also
- 23 document that it's there for the crew to review. And
- 24 if we see the crew, sometimes we'll even share it with
- 25 the crew. You know, go up if we've got time and
 - Page 38

1 directives, mail that needed to go out to the field to

- 2 the crews would be given to each sector boss and we'd
- 3 take it out.
- 4 Something like this, we would have to meet
- 5 up with every unit. And within 24 -- I mean, by the
- 6 end of that shift or after speaking to them, I should
- 7 say, that's when that policy should be instituted by
- 8 that crew. They have to put it in the glove box.
- 9 They can't put it in the clipboard anymore. And there
- 10 were other technicians later on that were found to be
- 11 in violation. Old habits are hard to break.
- 12 Q Other than this current lawsuit, are you
- 13 aware of any of Mr. Cadoura's other lawsuits?
- 14 A No, I'm not aware of any other lawsuits from
- 15 Mr. Cadoura.

24

- 16 Q Are you aware of a news story involving
- 17 ambulance response times that Mr. Cadoura was a part 18 of?
- 19 A No, I'm not. I think there was a piece of
- 20 paper in here for Vince Fourment where he had spoke to
- 21 Mr. Cadoura that I read, but I'm not aware of the
- 22 actual incident. I wasn't part of it.
- 23 O You said that was from who?
 - A Jim -- Vince Fourment had found that -- it
- 25 was one of the forms in the packet. Mr. Fourment had

Page 40

- 1 explain the new directive.
- 2 Q And to your knowledge, the run sheets that
- 3 we were talking about earlier, where are those stored?
- A I know there was a directive that they were
- 5 not to be kept in the -- again, I don't -- I'd have to
- 6 look. Hold on. Let me see if I can find that one. 7 Okay. That's what it was. The run sheets -- they
- 8 didn't want the run sheets being kept in the clipboard
- 9 because what happened was we used to just plop all of
- 10 the run sheets in there. And based on HIPAA, if you
- 11 lost your clipboard now there's ten run sheets out
- 12 there. So when you got back to your truck when you
- 13 completed your run sheet you were supposed to put it
- 14 in the glove box.

13-53846-tit

- 15 Q Do you know when that directive was issued?
- 16 A Policy and procedure dated 4/4 of '07.
- 17 Q And so, a new directive like that, is there
- 18 a grace period for the people in the field to adhere
- 19 to that or is it immediate adherence?
- 20 A Well, what happens with something like this,
- 21 because it's such HIPAA sensitive, when we have our
- 22 shift briefing before we go afield -- because when we
- 23 report, we report -- we reported to fire headquarters.
- 24 We didn't have a fire station we went to. We'd go
- 25 through our mail and any new policies, procedures,

- $1\,$ spoke with Cadoura about speaking with the media.
- 2 Q Do you remember what the contents of that 3 were?
- 4 A He walked up and I guess he was talking to
- 5 the media. And we're not allowed to, even as
- 6 supervisors, talk with the media and if we do we can
- 7 be subjected to disciplinary.
- 8 Q Is there any position that someone might
- 9 hold in the union that might allow them to speak to 10 the media?
- 11 A The union can, when it came to the union
- 12 president. The union president spoke to the media
- 13 quite often whenever there was issues related to
- 14 Detroit EMS. And he's speaking on behalf of the
- 15 union. He's not, at that point in time, speaking on
- 13 union. The strott, at that point in time, speaking on
- 16 behalf of the technicians in uniform, I should say.
- 17 He's not the liaison for the city of Detroit to speak 18 to the media.
- 19 Q So what happens if someone speaks to the 20 media?
- 21 A A report is generated, sent up, and the
- 22 chief will make a determination in violation of the
- 23 department policy.
- 24 Q And is there a disciplinary action that's
- 25 typically done for speaking to the media?

4 By: Mr. Jason McFarlane	JERALD JAMES
5 2 Woodward Avenue, Suite 500	5 after having been first duly sworn to tell the
6 Detroit, Michigan 48226	6 truth, the whole truth, and nothing but the
7 (313) 237-0548	
8	7 truth, was examined and testified as follows:
	8 EXAMINATION
9	9 BY MR. SHEAROUSE:
10	10 Q. Good afternoon. My name is Austen Shearouse and
11	11 I represent the Plaintiff Cadoura in this matter.
12	Real quick, just a couple of ground rule
13	13 questions. Have you ever had your deposition
14	14 taken before?
15	15 A. Yes.
16	16 Q. Yes? Okay. So just sort of as a reminder,
17	17 especially with us being on Zoom, make sure that
18	18 I've finished the question before answering. I
19	19 know sometimes you can kind of tell where I'm
20	20 going with the question, but it makes it easier
21	21 for the court reporter, if we just get that extra
22	22 couple of seconds to make sure that we don't talk
23	23 over each other, and I'll try to do the same with
24	24 your answer. I know it will still happen. It
25	25 always inevitably happens that one of us ends up
Page 2	Page 4

1 INDEX	1 talking over each other at some point, but I'm
2 WITNESS: PAGE:	2 going to do my best to make sure that I let you
3 JERALD JAMES	3 fully answer my questions and all I ask is that
4 Examination by Mr. Shearouse 4	4 you allow me the same for my questions to be out.
5 Examination by Mr. McFarlane 49	5 If at any point in time you need a
6 Re-Examination by Mr. Shearouse 50	6 break, just let me know. I'm happy to allow
7	7 that. All I ask is that if I've posed a question
8 NO EXHIBITS MARKED	8 or opposing counsel has posed the question, you
9	9 answer the question and then we can go ahead and
10	10 take that break.
11	We'll go ahead and get started. Can I
12	have your full name for the record, please?
13	13 A. Jerald James.
14	14 Q. That's J-e-r-a-l-d?
15	15 A. Correct.
16	16 Q. And what is your date of birth?
17	17 A. 5-6-70.
18	18 Q. And what is your current address?
19	·
	19 A. 29122 Rachid, R-a-c-h-i-d, Lane, and that's
20	20 Chesterfield, Michigan 48047.
21	21 Q. And how long have you resided at that address?
22	22 A. Since 2007.
23	23 Q. Is there anyone else that lives at that address
24	24 with you?
25	25 A. Yes, my family.

- 1 Q. And who is that specifically?
- 2 A. That's my wife, Donnella James. And do I have to
- 3 reveal my child's name to you?
- 4 Q. Just the name. I'm not going to ask for ages or
- 5 anything like that.
- 6 A. Well, that's the question I had is why does my
- 7 15-year-old child have to be revealed in a
- 8 deposition?
- 9 Q. I'm just getting who all is present and could be
- 10 potentially there at the house that can
- 11 potentially hear these conversations or --
- 12 A. I'm not at home right now. I'm at work.
- 13 Q. Okay. So you're at your office right now?
- 14 A. That's correct.
- 15 Q. Is there anybody else in the office with you?
- 16 A. In my -- my particular office? No. There are
- other employees here, but, no, not at my office.
- 18 The door is closed.
- 19 Q. Okay. And you're currently employed with the
- 20 City of Detroit?
- 21 A. No, I am not.
- 22 Q. What is your current employment?
- 23 A. I am an Executive Administrator for the Michigan 23
- 24 Association of Police.
- 25 Q. And when did you start that position?

- 1 years and then I voluntarily stepped down back to
- 2 Captain from '14 until I retired in '16.
- 3 Q. Was there any particular motivation for that
- 4 voluntary stepdown?
- 5 A. I didn't like the current commissioner nor the
- 6 deputy commissioner. I felt they were woefully
- 7 inaccurate for their position.
- 8 Q. Do you know their names?
- 9 A. Yep. Sydney Zack was the Deputy Commissioner.
- 10 Jonathan Jackson was the Fire Commissioner.
- 11 Q. And how long had they been in those roles?
- 12 A. Mr. Jackson had recently got promoted with the
- election of Mayor Duggan. I don't know his exact
- 14 appointment date, and Sydney Zack kind of rotated
- 15 between the Fire Department, Police Department,
- 16 back to the Fire Department, so I can't tell you
- 17 exactly how many connected or continuous years
- she had with the Fire Department.
- 19 Q. Do you know if they were in those positions in
- 20 2012/2013?
- 21 A. Jonathan Jackson no. Sydney Zack may have been
- in '13. I can't recall exactly when she got
- promoted, but it was after I was already Chief.
- 24 She came from the Law Department.
- 25 Q. She came from the Law Department?

Page 6

Page 8

- 1 A. 2015.
- 2 Q. And what are your current job responsibilities in
- 3 that role?
- 4 A. I am a labor relations advocate. Enforcement
- 5 of contracts, grievance filing, contract
- 6 negotiations. I represent close to 150 different
- 7 bargaining units.
- 8 Q. And prior to this position, what was your
- 9 employment?
- 10 A. I did work for the City of Detroit EMS Division
- 11 until September of 2016. 1991 through September
- 12 of 2016.
- 13 Q. And when you were hired in 1991, what was your
- 14 position?
- 15 A. I was an Emergency Medical Technician for the EMS
- 16 Division.
- 17 Q. And was that the same position that you held in
- 18 2016?
- 19 A. No.
- 20 Q. What position did you hold in 2016?
- 21 A. I was a Paramedic Shift Supervisor at the rank of
- 22 Captain.
- 23 Q. And when did you assume that role?
- 24 A. Initially in 2008. I held that position for two
- 25 years. I was then promoted to Chief for four

- 1 A. Correct.
- 2 Q. So other than the promotion to Paramedic Shift
- 3 Supervisor at the rank of Captain and the
- 4 promotion to Chief, were there any other
- 5 promotions that you were given during your time
- 6 with the City of Detroit?
- 7 A. Yes. I went from EMT to Paramedic in 1998, I
- 8 went from Paramedic to Lieutenant in 2003, and I
- 9 went from Lieutenant to Captain in 2008 and
- 10 Captain and Chief in 2010.
- 11 Q. And then you said you voluntarily stepped back
- down in 2014, correct?
- 13 A. That is correct.
- 14 Q. Thank you. So when you started out as an
- 15 Emergency Medical Tech for the EMS Division, what
- were your responsibilities?
- 17 A. Responding to calls for service through 911 on
- 18 an ambulance and providing treatment/transport to
- 19 residents, patients, visitors of the City of
- 20 Detroit.
- 21 Q. And how does that differ from the paramedic
- 22 position?
- 23 A. The paramedic has a more advanced skill set.
- 24 They're able to push medication, add more
 - advanced airway procedures, use defibrillators,

Case 2:20-cv-12986-GAD-APP ECF No. 3 [7:16] (Planet) 1.481 Filed 02/18/23 Page 5 of 15 January 6, 2023

- 1 etc.. So it's more of a transitional upgrade
- 2 from an EMT to a paramedic, but the outcome is
- 3 the same. You still treat/transport sick and
- 4 injured.
- 5 Q. And is there a requirement for extra licensing to
- be a paramedic?
- 7 A. That is correct. You have to attend a paramedic
- class that's approved by the Michigan Department 8
- 9 of Health and Human Services. You get certified
- 10 after that class and then you have to take a
- 11 test -- a state exam, and then upon passing that
- 12 test, you're licensed to perform as a paramedic.
- 13 Q. So other than needing that license and
- 14 certificate, is there any other additional
- 15 requirements to become a paramedic?
- 16 A. To become a paramedic for the City of Detroit,
- 17 yes, you have to have an ACLS Card. Advanced
- 18 Cardiac Life Support, and you have to be approved 18
- 19 through the Detroit East Medical Control
- 20 Authority to function in their control zone as a
- 21 paramedic.
- 22 Q. What was that organization you said that you
- 23 needed to be approved by?
- 24 A. The Detroit East Medical Control Authority.
- 25 Q. So once you have that approval, your ACLS Card, 25 Page 10

- 1 or higher of attendance control -- their
- 2 attendance control program and you could not have
- 3 any active discipline for you to be considered
- 4 for a promotion.
- 5 Q. And you said active discipline. How does one go
- about resolving an active discipline?
- 7 A. Either through the grievance process through your
- 8 collective bargaining agreement or at the time
- 9 there was an internal appeal process, which was
- 10 called a Trial Board, which was governed by the
- 11 Fire Department.
- 12 Q. So until you went through one of those processes,
- 13 was the discipline considered active?
- 14 A. Only for two years.
- 15 Q. So I just want to make sure I'm understanding
- 16 this. If after two years the Trial Board had
- 17 not been -- a person had not gone for a Trial
- Board or aggrieved this discipline, it would be
- 19 removed?
- 20 A. It wouldn't be removed, but it could not be used
- 21 against you for the purposes of progressive
- 22 discipline and/or restriction for a promotion.
- 23 Q. Okay. And in your role as Shift Supervisor and
 - Chief, did you ever have to discipline a
- subordinate?

Page 12

- 1 and this advanced license, you would then be
- available to become a paramedic?
- 3 A. To function as a paramedic with the City of
- Detroit, correct.
- 5 Q. Okay. Are there any other requirements to become
- a paramedic than those?
- 7 A. Not for the City of Detroit, no.
- 8 Q. Okay. If someone is looking to become promoted
- to paramedic, do you know what sorts of -- what
- 10 sort of process they would go about?
- 11 A. When I was being promoted, yes. Currently --
- 12 I've been gone for six years. I don't know what
- 13 they're doing currently. I mean if you want me
- 14 to detail what I had to do, I can.
- 15 Q. Yes. Can you tell me what you went through when
- you originally were promoted?
- 17 A. We had to submit a letter to the chief of EMS
- requesting to be promoted to paramedic. They 18
- 19 would then review that request. You had to do
- 20 what was essentially a skills evaluation. You
- 21 had to go to the training section, perform a
- 22 skills assessment on starting IVs, intubation,
- 23 CPR. You had to do a written exam, which more or
- 24 less validated your knowledge of the local
- 25 medical protocols. You could not be on step two Page 11

- 1 A. As Chief, I disciplined. As Shift Supervisor, I
- 2 recommended discipline.
- 3 Q. And what was the process for recommending
- discipline as a Shift Supervisor?
- 5 A. Well, you had to -- obviously within the
- 6 construct of the contract, we had to do an
- 7 investigation, which was a result of interviews
- 8 with the employee, the complainant, if it was a
- 9 complaint issue. If it was a lieutenant, they
- 10 would provide the investigation to me, I would
- 11 review it, and then I would have to either agree
- 12 or disagree with their recommendation and then
- 13 sign off on that document and forward it to the
- 14 chief for their final resolution.
- 15 Q. In that investigation, did you typically conduct
- those investigations at the station house? 16
- 17 A. Typically, yes, they were either at a firehouse
- 18 where the employee is normally assigned to their
- 19 medic unit or they would be brought to the EMS
- 20 headquarters per se in an investigative affair.
- 21 Q. Was there ever a situation where an investigation
- 22 would be conducted out in the field?
- 23 A. It happened rarely, if you met a crew at a
- 24 hospital, if there was a scenario dealing with
- 25 uniform issues, accidents. So, yeah, depending

- 1 on the circumstances, there were some field
- 2 investigations, but for the most part, they were
- 3 conducted in-house.
- 4 Q. So you mentioned that the few times that it would
- happen in the field, those were uniform issues or 5
- 6 accidents, correct?
- 7 A. It could be. I mean it would be something minor
- for you to question an employee at their truck,
- 9 but an accident scene, you would meet, if the
- 10 crew was okay. There would be -- sometimes you
- 11 met them on the scene, at the hospital. Maybe a
- 12 complaint on the scene. Violent person, etc.,
- 13 stolen equipment. So there are some times.
- 14 It just depends on the circumstance where the
- 15 investigation would be done in the field, but
- 16 primarily they were done inside of a firehouse or
- 17 at what was deemed to be the headquarters for
- 18 EMS.
- 19 Q. Okay. And what sort of uniform issues would lead
- 20 to an investigation?
- 21 A. Well, any violation of the Department's uniform
- 22 expectation would prompt or could prompt an
- 23 investigation, i.e., not shaving, not wearing a
- 24 uniform properly, not wearing the required
- 25 components of the uniform. So any violation of a

- 1 the fire commissioner, but they ultimately had to
- 2 approve any terminations or suspensions over 30
- 3 days.
- 4 Q. And with these open discipline actions, it would
- 5 limit somebody from seeking a promotion, correct?
- 6 A. It could, only if it was a suspension. If it was
- 7 a written reprimand, from that perspective, it
- 8 could restrict the promotion, but, yeah, it would
- 9 have to be a suspension or higher.
- 10 Q. Okay. And was there any particular requirement
- 11 on how long the suspension had to be or just any
- 12 suspension was a bar?
- 13 A. Yeah, any active suspension. Anything less than
- 14 24 months.
- 15 Q. If an employee wanted to appeal a suspension or
- 16 appeal a -- strike that.
- 17 If an employee wanted to appeal a
- 18 discipline, how would they go about doing that?
- 19 A. There's two routes. One would be they could
- 20 either file a grievance and have a union appeal
- 21 it up to and including arbitration or there was a
- 22 form -- a Trial Board request that the employee
- 23 or the union completed. They would then submit
- 24 that Trial Board request to the Office of the
- 25 Fire Commissioner and the Fire Commissioner's

Page 16

- 1 set uniform standard could promote or prompt an
- 2 investigation.
- 3 Q. And, to your knowledge, are there circumstances
- 4 that would allow an individual not to adhere to
- 5 the uniform policy.
- 6 A. Only if that individual's safety or health was at
- 7 risk.
- 8 Q. So if a paramedic or EMT had gotten blood on
- their uniform at a scene, would that be cause for
- 10 them not to have that part of the uniform on?
- 11 A. Yes. Bloodborne packaging, hazardous material.
- 12 That would be -- that would be something that
- 13 would promote them to not properly wear a
- 14 particular uniform. Correct.
- 15 Q. And then as chief, you said you did discipline in
- your time; is that correct? 16
- 17 A. Correct. As the Chief, I had the final say from
- 18 the division, if discipline was going to be
- 19 carried out and barring significant discipline,
- 20 i.e., termination or suspensions of 30 days or
- 21 longer, I had the authority to approve those
- 22 without the fire commissioner's signoff. Any
- 23 discipline above 30 days or termination, I could
- 24 not do. It had to come from the Fire
- 25 Commissioner's Office. I could recommend it to Page 15

- 1 Office would then schedule the Trial Board based
- 2 on that appeal request.
- 3 Q. And about how soon after was the Trial Board
- hearing supposed to occur?
- 5 A. There was no set time. It was all based on the
- 6 Commissioner's Office and the rank of the
- 7 individuals that were available. You had to be
- 8 at the level of battalion chief or higher for you
- 9 to sit on a Trial Board. So the pool of
- 10 eligible candidates was restricted, but there was
- 11 no set time. It could be anywhere from 30 days.
- 12 Some of them never got scheduled for years.
- 13 Q. So there was an issue with scheduling these Trial
- 14 Boards for disciplines?
- 15 A. Yes. It was horrible. Correct.
- 16 Q. Was it due to a lack of staffing or was it due to
- 17 the amount of disciplines that were being issued?
- 18 A. It was a combination of both, because there was
- 19 a limited amount of people who are eligible to
- 20 sit on the panel and they were doing them not 21 only for the EMS Division. It was for the Fire
- 22 Department as a whole. So that select group of
- 23 individuals had to review, appeal, judge on any
- 24 discipline within all eight or nine divisions of
- 25 the Fire Department.

Case 2:20-cv-12986-GAD-APP ECF No. 37er61dPlagrestD.483 Filed 02/18/23 Page 7 of 15 January 6, 2023

- 1 Q. And once you became a Shift Supervisor in 2008,
- 2 did you notice more disciplines being issued than
- 3 when you were a Paramedic?
- 4 A. No, I wouldn't have any insight as to how many
- disciplines any other shift had submitted. The 5
- 6 only person that had that access would be the
- 7 commissioner -- I mean the fire -- I mean the EMS
- 8
- 9 Q. And then when you were promoted to Chief in 2010,
- 10 did you happen to notice any large amount of
- 11 disciplines?
- 12 A. No, not anymore than I did when I was a union
- 13 rep. As a union rep -- actually, from the time I
- 14 got promoted forward, there were considerably
- less disciplines that I was aware of as a union 15
- 16 rep versus when I got promoted.
- 17 Q. So you knew about less disciplines when you were
- the union rep or when you were --
- 19 A. More disciplines. More disciplines when I was a
- 20 union rep. There were multiple terminations,
- 21 multiple leaves without pay. We were doing
- 22 grievances and Trial Boards almost weekly.
- 23 Q. And what dates were you a union rep?
- 24 A. I was a Union Steward from '95 until '98. I
- become a Chief Steward in '98 and the Union

- to discipline action, such as oral -- an oral 1
- 2 consultation, a written reprimand, a charge, and
- 3 a discharge; is that correct?
- 4 A. Similar to that, correct. There is an oral
- 5 reprimand, a written reprimand, a suspension, and
- then demotion, if you are in a higher level, and 6
- 7 then termination. Correct.
- 8 Q. So the demotion would only be available to higher
- level individuals?
- 10 A. Well, paramedics. You can be demoted from
- 11 paramedic back down to EMT.
- 12 Q. And when an oral reprimand is given, is there a
- 13 written record of that oral reprimand anywhere?
- 14 A. Yes.
- 15 O. Who makes that record?
- 16 A. It's normally within the office of the EMS -- the
- EMS superintendent. Every employee has a 17
- 18 disciplinary -- or used to anyway. Has a
- 19 disciplinary track sheet and on that form, you
- 20 would document if it was an oral, written,
- 21 suspension. If it was a six-month suspension,
- 22 one year, two year. So that became a permanent
- 23 part of the employee's disciplinary file. So as
- 24 the disciplines fell off, you would highlight
- 25 that the discipline was no longer applicable, but

Page 20

- President in 2000.
- 2 Q. And how long did you serve as Union President?
- 3 A. Three years until I got promoted to Lieutenant.
- 4 Q. Did you ever work with Mr. Cadoura?
- 5 A. Yes.

1

- 6 Q. How often would you say you worked with
- Mr. Cadoura?
- 8 A. It was infrequently. Maybe on a detail or over
- time. I could probably count on my hands how
- 10 many times I worked with him.
- 11 Q. What was your general impression of Mr. Cadoura?
- 12 A. At the time I was working with him on the truck?
- He was a relatively nice, easygoing guy. 13
- 14 Appeared to like his job and, you know, upbeat.
- 15 Q. At the times that you and him worked together, do
- you recall him mentioning any issues with
- 17 policies not being followed?
- 18 A. No.
- 19 Q. Did you ever bring any complaints about policies
- not being followed?
- 21 A. Always. I was a Union Steward. I was filing
- grievances and complaints and letters to the
- 23 Mayor's Office. So, yeah, he may have overheard
- 24 me discussing it, but to him directly, no.
- 25 Q. And it's my understanding that there are levels

- it still remained on the form.
- 2 Q. While you were working at Detroit Fire, did you
- ever hear of anyone making any derogatory 3
- 4 comments to Mr. Cadoura?
- 5 A. To him directly? Not that I could recall.
- 6 Q. Did you ever hear anybody make comments about him
- 7 just generally, not to him?

Page 18

- 9 Q. What kind of comments did you overhear?
- 10 A. That he was an asshole, he was a jerk, wouldn't
- do his job. That just too -- that's just a 11
- 12 minor amount. I mean from his peers -- they
- 13 despised him. The ones that were complaining to
- 14
- 15 Q. And who were the ones that complained to you?
- 16 A. I can't recall. There were -- there were
- 17 multiple technicians/supervisors that had
- 18 significant issues over a period of time with
- 19 Mr. Cadoura.
- 20 Q. Do you recall what any of those issues were?
- 21 A. Well, sure. I mean he had become argumentative,
- 22 abrasive. He had picked up a second job with
- 23 another ambulance company. My employees were
- 24 calling me telling me he was jumping and run, he 25

was cursing at them, they didn't want to work

Page 21

6

- 1 with him, his behavior on the scene, his behavior
- 2 at the hospital, his comments towards nurses. I
- 3 mean the laundry list just went on and on.
- 4 Q. Do you know if Mr. Cadoura ever received a
- 5 citizen complaint?
- 6 A. Yes.
- 7 Q. Do you recall what that was about?
- 8 A. No, I don't. As far as the complaints went, once
- they came into the office, they were sent out to
- 10 the field for investigation and the supervisors
- 11 would then investigate them from there, and what
- 12 the outcome of these were. I can't -- I don't
- 13 recall offhand, no.
- 14 O. So all these complaints were made to you by your
- 15 subordinates?
- 16 A. Correct.
- 17 Q. Did any of them ever file any formal complaints
- 18 against Mr. Cadoura?
- 19 A. No.
- 20 Q. Was there any investigation done into any of
- these complaints?
- 22 A. No, because they would not file a formal
- 23 complaint. I advised them when they called, "I
- 24 hear your complaint. If you have an issue,
- 25 you've got two options. Contact your union and
- 1 A. Yes.
- 2 Q. -- EMS?
 - 3 A. That is correct. That's my understanding.
- 4 Q. Do you know if he was placed on a do not rehire
- 5 list?
- 6 A. Yes.
- 7 O. Do you know why?
- 8 A. Because he resigned with discipline pending.
- 9 Q. Is that a policy of Detroit EMS?
- 10 A. That is a policy of the City of Detroit. The
- 11 information I received when I got promoted to
- 12 Chief was there were only two reasons that I
- could put a person down as a do not rehire, which
- 14 were a requirement of the City of Detroit. One
- 15 was if they did not provide a two-week notice and
- the other was if they resigned in lieu of a 16
- 17 discipline. Those two individuals would have to
- 18 be listed as a do not rehire.
- 19 Q. So you said the second one was in lieu of
- 20 discipline?
- 21 A. Correct. Yes. If they were resigning with
 - discipline pending or under investigation for a
- 23 disciplinary action and they resigned, they were
- 24 to be listed as a do not rehire.
- 25 Q. Just for my clarification, is it only if they

ultimately did what she did. 7 Q. So did you not want all of those disciplines

expunged after two years?

9 A. The ones after two years, yes.

10 Q. Did you review any documentation before today's

involved improper patient care, assaults on

yes, I did have some involvement, but she

co-workers, etc.. She expunged them all. So,

to HR about what she was going to do, but she

overrode my recommendation, and I also complained

deposition?

12 A. Yes. Yes.

13 Q. What documentation did you review?

14 A. There was some reports that I had that date back

15 to looks like 2008 from Chief Kestalu (ph). So

16 there appears to be some disciplinary documents

17 in here. His resignation notice and paperwork 18 from HR. There's about it looks like 38 pages.

19 Q. And that's Mr. Cadoura's resignation notice?

20 A. I think that is in this document, if I'm not

21 mistaken. There's letters in here, there's

22 suspension notices, Charge Forms. There's a

23 multitude of documents in here.

24 Q. So is it your understanding that Mr. Cadoura

25 resigned from the City of Detroit --

Page 24

- 1 have your union have a conversation with them or 2 make a formal complaint to your shift supervisor
- 3 and we will address the issue," but, yes, so
- 4 calling me and trying to leverage an
- 5 investigation or going directly to the chief to
- 6 complain, I would hear it, but, no, I was not
- 7 going to take an action on something that an
- 8 employee was not willing to follow the proper
- 9 process.
- 10 Q. And while you were working for the City of
- 11 Detroit, was there a settlement between the union
- 12 and the Fire Department?
- 13 A. There were probably multiple settlements between 13
- the union and the Fire Department.
- 15 Q. Was there one roughly in 2012/2013 involving a
- large amount of discipline that had been issued?
- 17 A. Yeah. Yeah. The Trial Boards that Sydney Zack
- and Smith? Yeah.
- 19 Q. Did you have any involvement with that?
- 20 A. Yes, to a degree.
- 21 Q. What was your involvement?
- 22 A. I disagreed with it. She came to me and asked me 22
- 23 my opinion. I told her, "Of course, anything
- 24 over two years should automatically be expunged."
- 25 Some of those were very egregious actions that Page 23

- 1 were resigning to avoid discipline or if they
- 2 just resigned and there just happened to be
- 3 discipline pending? Either one would get them --
- 4 A. Correct. If there was a disciplinary
- 5 connotation. If the employee resigned under
- 6 investigation or if the investigation had been
- 7 completed and the next step was to then inform
- 8 them of that discipline and they resigned, then
- 9 they would be listed as a do not rehire.
- 10 Q. And the discipline -- the discipline only
- 11 finishes through the Trial Board, correct?
- 12 A. When you say finishes through the Trial Board?
- 13 Q. We're talking about open disciplinary action and
- 14 if somebody were to be waiting on Trial Board
- action, that would still leave it as an open
- 16 discipline action, correct?
- 17 A. It would. Yes, it would leave it as an open
- 18 disciplinary action. Correct.
- 19 Q. And you said that sometimes those Trial Boards
- 20 could take years?
- 21 A. Yes. If you're asking would someone who appealed
- 22 a discipline be listed as a do not rehire, the
- answer to that question is no. They've already
- 24 been disciplined. They're appealing that
- 25 discipline. The outcome of that discipline would

- 1 Q. So if someone was placed on the do not rehire
- 2 list, would they make it to that eligibility
- 3 list?
- 4 A. They shouldn't.
- 5 Q. And you left the City of Detroit in 2016,
- 6 correct?
- 7 A. That is correct.
- 8 Q. So did you ever hear anything about Mr. Cadoura
- 9 attempting to reapply to the City of Detroit?
- 10 A. Yes, I did.
- 11 Q. Who did you hear that from?
- 12 A. Robert Olkowski.
- 13 Q. And who is Robert Olkowski?
- 14 A. He is an employee of the EMS Division for the
- 15 City of Detroit.
- 16 Q. Do you know what his rank is?
- 17 A. I think he's the assistant chief now, if I'm not
- 18 mistaken.
- 19 Q. At the time he informed you about Mr. Cadoura
- 20 reapplying, was that his position?
- 21 A. No.

Page 26

- 22 Q. What was his position at that time?
- 23 A. I'm not sure. When I left, he was a lieutenant.
- I don't recall when -- he was in administration
- at some -- he was somewhere in administration.

Page 28

- 1 be leveraged by either a Trial Board or an
- 2 arbitrator or a settlement between the union and
- 3 the employer. It was only germane because those
- 4 individuals who quit in lieu of being disciplined
- 5 or were aware they were being investigated for a
- 6 potential discipline and then quit to usurp that
- 7 process.
- 8 Q. So if somebody was waiting on Trial Boards for
- 9 their disciplinary action, they would not be
- 10 automatically placed on a do not rehire list?
- 11 A. Yeah. My office -- at least when I was the
- 12 Chief, I could not place them as a do not rehire
- because they were appealing a disciplinary
- 14 action.
- 15 Q. Did you ever do any hiring or were you involved
- in the hiring process when you were at the City
- 17 of Detroit?
- 18 A. No. That was strictly HR.
- 19 Q. So you don't have any knowledge on that process
- 20 at all?
- 21 A. No. We just get -- when I was a Chief, you'd get
- a list of names that HR said was eligible for the
- 23 next Academy and what date they were going to
- 24 start and we then scheduled the Academy and those 24 Q. Either. If there were conversations.
- 25 individuals reported.

Page 27

- 1 He was lieutenant, captain. Somewhere in the
- 2 offices of administration.
- 3 Q. And what did he tell you in that conversation?
- 4 A. He just called me and said, "Did you put Cadoura
- 5 down as a do not rehire?" I said, "Yeah, I did."
- 6 He said, "Okay" and that was it.
- 7 Q. And the reasoning for that do not rehire was
- 8 pending discipline?
- 9 A. That is correct.
- 10 Q. Were you ever aware of Mr. Cadoura being involved
- in a news story regarding response times for the
- 12 City of Detroit EMS?
- 13 A. Yes.
- 14 Q. How did you find out about that?
- 15 A. Probably on the news.
- 16 Q. Were there any discussions about his
- 17 participation in that story?
- 18 A. With me? No.
- 19 Q. Did you have any conversations with anybody else
- about that?
- 21 A. There were multiple conversations. Well, let me
- 22 clarify. Are you talking about when I was
- 23 employed or not employed after I retired?
- 25 A. Well, when I was employed, sure, there were

- 1 multiple conversations with the Law Department,
- 2 main controls, State of Michigan, the
- 3 Commissioner's Office, the City Council. Every
- 4 time a news story hit about response times, I got
- 5 a phone call and there were meetings, etc.. When
- 6 I retired, no, I didn't talk to anybody about
- 7 Detroit EMS any longer.
- 8 Q. So it was just whenever a general news story was
- published about response times there was a lot of
- 10 administrative interest on it?
- 11 A. Yes. I had a lot of explaining to do and charts
- 12 and time reports, and etc.. So, yeah, there was
- 13 constant conversations with multiple agencies and
- 14 city officials, etc..
- 15 Q. Do you know what was causing those delays in
- 16 response times?
- 17 A. Well, there was a multitude of things.
- 18 Everything from mismanagement of 911 calls and
- 19 triage, not enough vehicles, not enough
- 20 employees. Just the construct of an urban
- 21 response system that just did not have enough
- 22 resources to support the, you know, daily deluge
- 23 of 911 calls.
- 24 Q. So when someone resigns from the Department, is 24 Q. So other than you and HR, was there anybody else
- 25 there an exit interview conducted?

- 1 A. Human Resources. My understanding is that
- information was revealed to the employee from
- 3 Human Resources and I never notified anybody that
- 4 they were on the do not rehire list.
- 5 Q. And from Human Resources, would they notify them
- as soon as that decision had been made or --
- 7 A. No. Go ahead. I'm sorry.
- 8 Q. Let me have you answer that part first. As soon
- as that decision had been made, was the employee
- 10 or former employee notified?
- 11 A. No, and the reason why I say that is because it
- 12 was an investigation. I had to -- once I
- 13 submitted the form to HR and said, "Do not
- 14 rehire," HR would then contact me. There would
- 15 be I guess an interrogation as to why I
- 16 classified the employee as a do not rehire. Even
- 17 though I documented it that way, my understanding
- 18 is HR has the ultimate authority to approve that
- 19 departmental recommendation.
- 20 Now, if they approved it or not, I was
- 21 never notified. I just submitted it. I talked
- 22 to the people from HR and they handled it from
- 23

- involved in the decision to ultimately put or not

Page 32

- 1 A. It is a voluntary exit interview. Correct.
- 2 Q. Who schedules that exit interview?
- 3 A. Well, my office would schedule it, if the
- employee was willing to do it. We were -- as a
- 5 Lieutenant and Captain, when we got a
- 6 resignation, we would notify an employee of an
- 7 option to do an exit interview. When I was a
- Chief, whenever those letters came in, I would
- 9 ask the lieutenants, captains, make sure they
- know they have a right to do an exit interview, 11 and if the employee wished to do so, then my door
- 12 was open and we could do an exit interview.
- 13 Q. Do you know if Mr. Cadoura did an exit interview?
- 14 A. No, he did not.
- 15 Q. Do you know if he was offered an exit interview?
- 16 A. I don't know. The direction from my office was
- 17 always to offer them, but, no, we never did a
- 18 follow-up. There was no form to sign that they
- 19 were notified of an exit interview opportunity.
- 20 No.

10

- 21 Q. And at that exit interview, would you have
- notified Mr. Cadoura that he was on the do not
- 23 rehire list?
- 24 A. No.
- 25 Q. How would he have gone about finding that out? Page 31

- put somebody on the do not rehire list?
- 2 A. To my knowledge, no.
- 3 Q. In your opinion, was Mr. Cadoura a good EMT?
- 4 A. No.
- 5 Q. And why do you say that?
- 6 A. Well, let me classify that. Good EMT? I can't
- say he did not provide good patient care. I
- 8 never got a complaint about his patient care, so
- 9 I can't say as far as the treatment and transport
- 10 of citizens that he is not a good EMT. If you
- 11 want to quantify that as a good employee, I would
- 12 say no.
- 13 Q. And why would you say he's not a good employee?
- 14 A. Well, just even based off of the reports that I
- 15 reviewed and the ones that aren't here, he was
- 16 very abrasive, profane, argumentative, insolent,
- 17 insubordinate. There wasn't a rule he was not
- 18 willing to break. It was his job to do what he
- 19 wanted to do with and he showed us that is what
- 20 he was going to do.
- 21 Q. Were you ever aware of Mr. Cadoura making
- complaints on policies not being followed?
- 23 A. Probably so. I mean I would assume I was aware
- 24 of if there was a grievance filed or a letter 25 submitted, but I say that with an asterisk,

Page 33

9 (Pages 30 - 33)

- 1 because a lot of them went directly to Sydney
- 2 Zack. So I'm not sure what was reported to her.
- 3 Q. Did any of your subordinates ever mention him
- 4 filing any complaints about policies not being
- 5 followed?
- 6 A. To my knowledge, not that I can recall.
- 7 Q. And the reports that are in front of you -- who
- 8 is authoring those reports?
- 9 A. I guess it would depend on which one you
- 10 specifically are stating. There is like 38 pages
- 11 here. Can you kind of identify which one
- 12 specifically?
- 13 Q. Do you have a date on whatever one is first on
- 14 your page, so I can identify it?
- 15 A. The very first one is June 8, 2008 and it's
- 16 addressed to Chief James Kestalu.
- 17 MR. MCFARLANE: Do you have the Bates
- 18 Stamped exhibits?
- 19 MR. SHEAROUSE: Yeah, I do somewhere.
- 20 Yeah.
- 21 MR. MCFARLANE: I can tell you the
- 22 Bates Stamp of what he's looking at.
- 23 MR. SHEAROUSE: Okay. Yeah. What's the
- 24 Bates Stamp?
- 25 MR. MCFARLANE: One Twenty-Seven.

- document to assert their agreement with it.
- 2 Q. And if there was a factual disparity between the
- 3 witness statements and the person reporting the
- 4 grievance, was there a process on how to resolve
- 5 that?
- 6 A. If you mean as far as any investigation or --
- 7 Q. Yes.
- 8 A. -- post-discipline?
- 9 Q. Let's start with the investigation first.
- 10 A. If there is a factual -- more or less a factual
- misalignment of the truth, then the supervisor
- 12 has the obligation to capture their review and
- 13 provide their recommendation. Either they
- believe the complaint is without merit, that the
- 15 complainant and/or witness statements are not
- 16 accurate, or that the employee's account of the
- 17 incident is more plausible, more believable based
- on data, be it from a CAD system or from other
- 19 witnesses, and then they will from that point
- 20 make a recommendation to the chief to either drop
- 21 the complaint or not proceed or that discipline
- 22 is warranted.
- 23 Q. And the next document on your list is -- is that
 - 4 a May 1 letter to Chief James Kestalu?
- 25 A. That's correct.

1 BY MR. SHEAROUSE:

- 2 Q. I see that now. To James Kestalu. And that was
- 3 from Captain Joe Wilson?
- 4 A. That is correct.
- 5 Q. And this was an incident involving Lieutenant
- 6 John Sablowski?
- 7 A. That's what it appears. Correct.
- 8 Q. Do you recall any specifics about that situation?
- 9 A. No. I was a Shift Captain. That was to Chief
- 10 Kestalu. It appeared that Gary Kelly was still
- 11 the chief. So I would have had no knowledge of
- 12 this incident.
- 13 Q. And when an investigation is done to a
- discipline, are witness statements taken?
- 15 A. Yes. If there were witnesses, there should be
- 16 witness statements included. Correct.
- 17 Q. And those are written down?
- 18 A. Correct.

24

- 19 Q. And the witness signs them?
- 20 A. Depending on the complainant, i.e., if we get a
- 21 complaint over the phone, sometimes the
- 22 supervisors would do that interrogation over the
- 23 phone and document the statements from the
- 25 go out to their home and then have them sign the

witness or the complainant, but, no, we would not

Page 35

- 1 Q. And the subject line says, "Incident Report EMT?"
- 2 A. No. It says, "Incident With Technician Cadoura."
- 3 May 1, 2008?
- 4 Q. Yes. Okay. So at the bottom it has John
- 5 Sablowski's signature on it?
- 6 A. Correct.

Page 34

- 7 Q. Were you ever aware that Mr. Cadoura had made
- 8 several complaints against Mr. Sablowski?
- 9 A. I was aware of one complaint he made against
- 10 Sablowski that I can recall.
- 11 Q. What complaint was that?
- 12 A. That -- and this is just me recalling it best I
- 13 can. Is that John was picking on him or
- harassing him or something similar to that.
- 15 Q. Do you know if anything became of that complaint?
- 16 A. Not that I was aware of, no.
- 17 Q. Were you involved in that investigation at all?
- 18 A. No.
- 19 Q. At any point in time during your stint with the
- 20 City of Detroit, did you hear about Mr. Cadoura
- 21 ever filing a lawsuit?
- 22 A. Yes.
- 23 Q. How did you hear about that?
- 24 A. On the news.
- 25 Q. Did anyone at the stations make mention of it?

- 1 A. Not before it hit the news.
- 2 Q. After the news, was there conversations about it?
- 3 A. Well, there was a buzz everywhere about it after
- it hit the news.
- 5 Q. What was the general sentiment about it?
- 6 A. It was a reversed discrimination lawsuit with him
- and three or four other individuals.
- 8 Q. Now, was that the only lawsuit you heard about?
- 9 A. That I was aware of that I can recall, yes.
- 10 Q. During the process of discipline, is the employee
- 11 being potentially subject to discipline -- are
- 12 they considered innocent until a final
- 13 determination is made?
- 14 A. No. When they come to my office -- well, as the
- 15 Chief. Let me state that perspective. As the
- 16 Chief, if that's what you're asking me, when I
- 17 schedule them for discipline, all the documents
- 18 have been reviewed, all the data has been
- 19 reviewed, and based on a preponderance of the
- 20 evidence before me, inclusive of the written
- 21 responses or investigation and interrogation of
- 22 the employee, they are deemed to be guilty and
- 23 their meeting with me is to determine or provide
- 24 them with what their discipline is going to be.
- 25 Q. So they are not presumed -- they are presumed Page 38
- 1 guilty even before the whole process has been
- 2 complete?
- 3 A. No. When they get to the chief's office, the
- process is done. If you're asking me as a
- 5 frontline supervisor or lieutenant or captain,
- 6 that's a different perspective. So I mean I
- 7 guess if you could clarify for me what
- 8 perspective you're looking from, then those are
- two different dynamics.
- 10 Q. All right. So at the point in which somebody
- 11 would seek a Trial Board, are they considered not
- 12 guilty or guilty?
- 13 A. No, they're considered guilty. They are
- appealing that guilt.
- 15 Q. And if someone receives a written warning or a
- 16 written reprimand, are they considered guilty or
- 17 not guilty?
- 18 A. That is correct. They're still guilty.
- 19 Q. So as soon as a written reprimand is issued, that
- 20 person is considered guilty?
- 21 A. Yes. They could not -- they could not receive a
- 22 written reprimand unless there had been a
- 23 determination made by the Office of the
- 24 Superintendent of EMS that they had violated a
- 25 policy based on an investigation from a

- 1 supervisor.
- 2 Q. And just so I'm clear, as soon as any written
- reprimand, suspension, anything like that -- as
- 4 soon as any sort of disciplinary action was
- 5 taken, it was presumed guilty for the employee
- 6 being disciplined?
- 7 A. Correct. You would not be disciplined, if you
- were found to not be in violation. So the
- 9 discipline more or less supports that the
- 10 Department's investigation yielded the fact that
- 11 you had violated a policy, procedure, expectation
- 12 and the review of the documents that were turned
- 13 in surrounding that incident gave us reason to
- 14 believe that you were, in fact, guilty and this
- 15 was a result of that guilt.

16 If you were not guilty, those actions

- 17 are dismissed. The employees are normally
- 18 notified the investigation is over. We found
- 19 that you didn't do anything wrong and that's the
- 20 end of it.
- 21 Q. While you were employed with the City of Detroit,
- 22 do you recall anybody making any derogatory
- 23 statements on the basis of somebody's race?
- 24 A. Derogatory? I mean I guess I will ask you to
- 25 quantify that. I mean are you talking about

Page 40

- 1 police? Citizens? Visitors? Are you talking
- 3 Q. Well, we'll just stay with employees within the

about employees? Talking about administration?

- City of Detroit Fire Department and its
- 5 divisions.

2

- 6 A. Yes. There's been multiple employees that have
- been disciplined and/or terminated for making
- inappropriate derogatory comments about race.
- 9 Q. Do you know if any of those comments were
- 10 directed towards Mr. Cadoura?
- 11 A. Not that I'm aware of, no.
- 12 Q. Do you know if he complained about any of these
- 13 comments being made to him?
- 14 A. Not that I was made aware of, no.
- 15 Q. So with the placing of Mr. Cadoura on a do not
- rehire list, was there any recourse for him to be 16
- 17 taken off of that list?
- 18 A. I would have to defer you to HR. They are the
- 19 governing agency that deals with the hiring
- 20 process of it and what that impact is. I don't
- 21 know if there is an appeal route. Like I say,
- 22 once I talked to HR, gave them my explanation for
- 23 it, I was never even notified if they agreed or
- 24 disagreed with my recommendation not to rehire.
- 25 It was an HR issue from that point forward.

- 1 Q. So you've never heard of anybody getting taken
- 2 off the do not rehire list?
- 3 A. I've heard of people being rehired that were
- 4 listed as do not rehire. I don't know if they
- 5 were taken off the list or not. As we note in
- 6 his incident, he wasn't and he was rehired. So I
- 7 don't -- I have no idea what that process would
- 8 be
- 9 Q. Do you know the names of those people that were
- 10 rehired?
- 11 A. No, I don't because once I left, I was gone.
- 12 That was it. I don't know who prior to me listed
- people as do not rehire or after me. So I
- wouldn't be able to accurately answer that
- 15 question. I do -- let me change that. I do know
- of one I put down on a do not rehire, Brian
- 17 Moore, that was brought back. That's the only
- 18 one that I can recall.
- 19 Q. And you listed him as a do not rehire?
- 20 A. Yes, I did.
- 21 Q. Do you remember why you listed him as a do not
- 22 rehire?
- 23 A. He killed a patient.
- 24 Q. Do you know when he was rehired?
- 25 A. No, I don't, but it was after -- it was -- it was

1 450 12

- 1 Q. And she was promoted to paramedic?
- 2 A. Yes.
- 3 Q. Do you know when that was?
- 4 A. No. She was promoted to paramedic before me, so
- 5 I would assume maybe '96ish. Ninety-five maybe.
- 6 Q. And then you said she was promoted after that to
- 7 lieutenant?
- 8 A. Correct.
- 9 Q. Do you know that date?
- 10 A. No, I don't. She was promoted before she -- I
- 11 was still a Union President when she became
- 12 lieutenant. She was acting first and then she
- 13 got officially promoted, so I don't have that
- 14 date
- 15 Q. And then after that, she was promoted to captain?
- 16 A. That is correct.
- 17 Q. Do you know that date?
- 18 A. No. It was after my promotion. I got promoted
- 19 to Captain in 2008. So she must have been
- 20 promoted in '09 or '10 maybe. I'm not sure.
- 21 Q. Did your wife ever discipline Mr. Cadoura?
- 22 A. Probably so. I do believe so. Correct.
- 23 Q. Do you have any recollection of specific
- disciplines that she might have issued?
- 25 A. Not other than what's in this packet that I

Page 44

- 1 either after I left -- it might have been after I
- 2 left. They rehired a whole bunch of people that
- 3 had resigned and been terminated and etc. So I
- 4 can't recall exactly when he went back.
- 5 Q. Do you know what race Mr. Moore is?
- 6 A. I would assume Caucasian.
- 7 MR. SHEAROUSE: Why don't we go ahead
- 8 and take a ten-minute break. See if I've got
- 9 anymore questions and then if not, then I will
- 10 pass him over to you, Jason.
- 11 MR. MCFARLANE: All right. Sounds good.
- 12 (Break taken)
- 13 BY MR. SHEAROUSE:
- 14 Q. I've just got a couple more questions for you,
- 15 Mr. James. I appreciate your time here today.
- 16 During your employment with the City of Detroit,
- 17 was your wife also working with the City of
- 18 Detroit?
- 19 A. Yes.
- 20 Q. What was her position?
- 21 A. At what time? She was an EMT, paramedic,
- 22 lieutenant, and captain.
- 23 Q. I guess we'll start with EMT. When did she start
- 24 as an EMT?
- 25 A. In September of '91.

- 1 reviewed.
 - 2 Q. All right. Is there something from your wife's
- 3 in that packet?
- 4 A. Yes.
- 5 Q. What is that situation?
- 6 A. Hold on. Let me pull it up. No, that's not
- 7 hers. I thought there was one in here from her.
- 8 Maybe it's not. Wait, is this -- yep. The very
- 9 last one I have in my pocket is from her.
- 10 Q. Is there a little number on the bottom right-hand
- 11 corner of that piece of paper?
- 12 A. Yeah. It looks like 249. It's dated 2-13-2013.
- 13 It's a Charge Form to the Commissioner's Office.
- 14 Q. And did she ever discuss this situation with you?
- 15 A. Discuss? Probably not. Just submitted the
- packet and the document. It looks as if it was
- 17 just a late call off.
- 18 Q. And what is a late call off?
- 19 A. Somebody calling off after the start of shift.
- 20 Q. And what's the typical discipline for that?
- 21 A. It's typically a -- you know, let me go back. It
- really does depend on what discipline they have.
- 23 If this occurred in the past. So if it's a
- 24 progressive issue germane to the attendance
 - control policy or if it's connected with other

Page 45

25

- 1 disciplines. So I don't know necessarily if I
- 2 can say it's a typical scenario. It really does
- 3 depend on the case.
- 4 Q. And we talked about earlier -- I know I'm kind of
- 5 bouncing around a little bit. We talked about
- 6 earlier the news stories were kind of a regular
- 7 occurrence about response times; is that correct?
- 8 A. That's correct.
- 9 Q. Help me to understand, are response times kept
- 10 per station or are they kept for just the
- 11 Department as a whole?
- 12 A. They're kept for the Department, the station, the
- 13 shift, and the unit.
- 14 Q. So if a particular -- like a particular shift is
- 15 having continuously low response times, that
- 16 reflects on both the station and those
- 17 individuals working that shift?
- 18 A. Well, when you say shift -- because there is four
- 19 shifts. So we'll look at nights too. Was it
- 20 busier Friday night, Saturday night? Typically
- 21 their response times are going to lag, but when
- you compare them to east side unit versus west
- 23 side versus central. Then you have to get into
- 24 the individual dynamics of the actual responding
- 25 unit. Travel distance, weather. There is a lot
 - гар

- 1 the supervisors then granted or awarded that
- 2 delay, then they were -- it was good.
- 3 Q. After Mr. Cadoura left in -- or resigned, were
- 4 you ever aware of him going to any other fire
- 5 department?
- 6 A. When I was still there? No.
- 7 Q. No?
- 8 A. Was I aware of it? Yes.
- 9 Q. Where are you aware that he's worked?
- 10 A. Flat Rock, Riverview, Melvindale, the proving
- grounds for some plant that he worked at for a
- minute, but, yeah, I'm aware that he's worked in
- 13 multiple different departments.
- 14 Q. Were you aware of him working in Woodhaven?
- 15 A. Yes.
- 16 Q. How did you find out about all these other
- 17 employments?
- 18 A. I represent three -- not represent, but three of
- 19 those departments are part of the organization
- 20 that I am the Assistant Executive Director of and
- I became aware of it because he's been terminated
- 22 from those three and as terminations get grieved,
- 23 there is a process within our office to appeal
- 24 those grievances and how those issues are
- 25 navigated.

- 1 that goes into it when you're doing a response
- 2 time kind of matrix or review.
- 3 Q. Is there any pressure on the station chiefs to --
- 4 or shift captains to get response times down?
- 5 A. Not to get response times down, but to get
- 6 in-service times down. Response times are
- 7 distance specific, but, yes, there was some
- 8 pressure to ensure that units were available to
- 9 respond to calls as appropriate.
- 10 Q. And you said in-service times. Can you explain
- 11 what that is?
- 12 A. Well, typically, when you're on the scene of a
- 13 non-transport, there's a time parameter that you
- look at for you to have the unit back in service.
- 15 If you're at the hospital, if it's a priority
- one, priority two, priority three. So each one
- of those caveats kind of lay out the groundwork
- 18 for what -- there was a benchmark of what the
- 19 expectation was to have a unit placed back in
- 20 service.
- 21 If they were not in service, then there
- was a reason -- an expectation that you would
- 23 request a delay. "I'm delayed for cleaning. I'm
- 24 delay for equipment. Gas." Whatever the issue
- 25 is. As long as the unit requested a delay, if
- 25

- 3 MR. MCFARLANE: I have a couple of quick
- 4 questions.
- 5 EXAMINATION
- 6 BY MR. MCFARLANE:
- 7 Q. You mentioned that you had recommended Brian
- 8 Moore for a do not rehire; is that correct?
- 9 A. That is correct.
- 10 Q. And do you know if HR approved that do not
- 11 rehire?
- 12 A. I'm not sure. As I indicated, once I submitted
- it, I will get a phone call. Somebody from HR
- 14 would request, you know, validation or
- 15 clarification. I explain to them what the reason
- was for it and they would handle it. So I don't
- 17 necessarily know if there was approval or
- 18 disapproval. I never got any further contact
- 19 from HR on any of the do not rehires that I
- 20 recommended.
- 21 Q. And are you aware of any of the circumstances of
- 22 Brian Moore returning to the city?
- $23\,$ A. Well, the only thing I'm aware of is there was a
- 24 push to hire and they were reaching out to all
 - Fire Detroit EMS employees and that he was a part
